WEBSTER TWP SCHOOL

PUBLISHED BY THE FACULTY AND STUDENTS

DEDICATION

To the men from Webster Township School District in the Armed Forces taking part in the preservation of the American way of life, this 1942 edition of the "Web" is respectfully dedicated.

FOREWORD

The Senior Class of 1942, together with the faculty and students, takes pleasure in presenting the "Web."

The aim of the staff has been to portray in pictures and writing the important and interesting activities of the school. We hope that in future years this annual may serve as a treasure chest of pleasant memories of by-gone school days.

Let it be the wish and privilege of all future graduating classes to keep on publishing an annual, and in doing so may they have the utmost success.

BUS DRIVERS

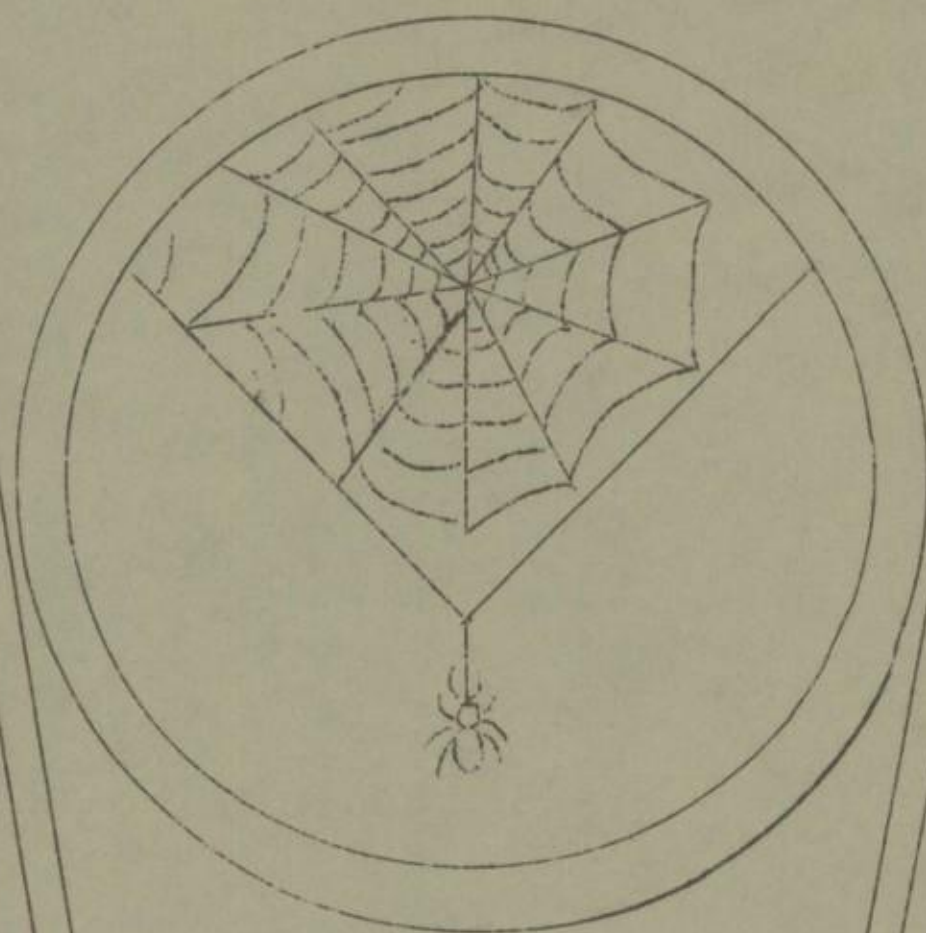

The picture above shows the bus drivers who are the authorized men entrusted with the safe transportation of the students to and from Webster School. They are capable and excellent drivers and have proved their merit both in keeping the busses in fine mechanical running order and a clean, healthy place in which to ride.

CUSTODIAN

Mr. Roller, the custodian, has long been the faithful tender of the school lot and building. He is shown beside some of the various heating equipment which comes under his care. Jay was always very well liked by all the students and still remains so after 17 years of continuous service.

VALEDICTORIES

Youth's Responsibility Today

Reverend Cryer, Mr. Croll, ladies and gentlemen:

This evening, we, the graduation class of Webster, are among the thousands of graduates who are about to say farewell to their high school days. Many of us have chosen a life's work to follow or are aiming toward some definite achievement. But we, like other graduates, face a war torn world where strife, blood shed, and international racial hatred are on the loose. The settling first of this basic problem now confronts all young people no matter what field they enter or what their goal may be. What can we graduates do about settling this problem is the pressing and all-important question.

Through the efforts of our teachers, parents, and taxpayers we have received a primary training in a school governed by a democratic institution. We have been taught, especially in high school, the advantages of a democratic form of government, a government which war-minded dictators hate and detest. We have been taught and it is our belief that this democracy must survive so that individualism, initiative, and the fruits of freedom may again be available for all capable and civilized peoples of the world. In order to secure these rights, no doubt all of us, especially the young men, will be called to some kind of service for our country. This calling may be in conflict with one's desires but for the present time, personal gain is secondary. We consider it an honor and a privilege to labor or even fight for the preservation of our American way of life.

We realize, too, that the younger generation will bear the brunt of the results and horrors of war in the years to come. High taxes, hard work, and fewer luxuries are bound to come and it will be our duty to face them with a growing determination to make the best of it.

We know, furthermore, that our present form of government is not perfect. Why isn't it perfect? A good reason is that in order to have a near perfect rule everyone must have an understanding of and interest in its functions. It is an accepted statement that government can rise no higher than its source. Since this source is the people themselves, a highly-cultured and wide-awake society is a paramount necessity. Often in the past people have been too complacent and ignorant of their true station in this society. This is probably one of the foremost reasons for the bad state of affairs in the world today because it is a dictator's paradise to spread his doctrine to an ignorant and disheartened people.

A great responsibility falls on youth to rebuild a new spirit, a spirit that will have a tolling effect in the final rebuilding and stabilization of a democratic society.

We graduates from Webster have been fortunate in being able to shoulder responsibilities and we feel confident in being able to do our share for the good of our country. No one can really fail if a high aim is established and all actions are held in line with it. We may not grow rich in the bargain but too often success is measured in terms of dollars and cents. Right now all over the world, people are engrossed with the "gimme" spirit: gimme a high paying job, gimme luxury after luxury, gimme control of the world. These gimmes in the end get a person nowhere for true success should be based on ideals and virtues of the achievement rather than on the material gains of an individual.

To fit youth to understand and work out these problems is the purpose of education. May we as the youth of today, fit into the picture of tomorrow and do our part for one another as our aims and ideals befit us.

With this thought we say farewell to our school. We realize we are leaving something near and dear to us, and we shall always be proud to have been graduates of Webster Township School.

--Donald Kuhlman

"The Spirit of '42"

Reverend Cryer, Mr. Croll, and friends:

No one thing in the past history of the United States has so fired the patriotic imagination of the average American as "The Spirit of Seventy-six."

"The Spirit of Nineteen-Seventeen" was international; but "The Spirit of '76" was wholly national. It was America.

Now we, this year's graduating class, call upon "The Spirit of '42" to rally all Americans, of all races, all creeds, and of all occupations to take his part in the greatest conflict in our national history.

First, the Spirit of '42 must show courage. This year the many seniors who are graduating are entering into a world that is war-torn. We will have many problems to face for ourselves. We will have to study these problems and try to find an answer to them. As we go along, we will naturally find many people who will not believe as we do; but each of us must do and believe in

what he thinks is right. This education that we now have, should help us in making our decisions. Our knowledge of things of the past, in history for example, will guide us in the future. An education, too, should make us more broad-minded so that, although we might not accept it, we will at least listen to the other person's point of view. But, relative to our own ideas which we believe to be right, let us have the courage to stand up and defend them.

Secondly, the Spirit of '42 must have an optimistic outlook on life. We must not be pessimistic and down-hearted when things don't seem to be going our way. Development of pessimism in our country is one of the chief goals of propaganda issued by our enemies. They are trying to break down the morale of our people. The pessimists and defeatists, maybe unknowingly, are really helping Hitler and Tojo in doing this very thing. Education can help to develop a more optimistic people. When we study the results of the various "dark ages" of history, we can see many good and profitable changes brought about by them. For example, the French Revolution, a dark age for France, brought about a democratic government. Many similar cases can be cited. After passing through this present "dark age" we shall emerge from it as American citizens with a stronger faith in democracy and those democratic principles for which we are fighting at the present time.

Thirdly, the Spirit of '42 must have faith--faith in ourselves, our leaders, and in God. We cannot accomplish anything worthwhile unless we believe in ourselves. We must have faith in our ability to do things. If we doubt ourselves, how can we expect other people to believe in us? Then, we must have confidence in our leaders, particularly in this present crisis. If we expect to have a country unified in a common goal, we must have confidence in the judgment of that country's leaders. And finally, we must have faith in God. It is important at all times that we recognize a Divine Providence. Through our faith in God will we get the courage and strength to help us surmount all of life's difficulties. Without this belief in God and Eternity our lives would have no meaning here on earth.

All through our school life we have been building a foundation which will help us solve the problems that arise in our future life. For unless we have a good foundation on which to build, we cannot expect much of a structure to our lives. "The house is only as good as its foundation." Each new thing we have learned and mastered has made this foundation stronger and firmer.

The opportunities to build these foundations have been given to us by our parents, teachers, and friends. We wish at this time to express our appreciation for the educational benefits you have provided for us.

--Grace Hebler

CLASS HISTORY

At the time of this writing, our class of '42, for nearly twelve years, has enjoyed the privileges and benefits of this institution from which we shall so soon be graduated. In view of these facts, it would be no more than fair to you that we should relate a few simple annals of history which we have created since our debut into school life.

On one of those clear-cut September mornings of the fall of '30, around thirty of us boys and girls awoke with a thrill and saw stretching before us in whatever direction we might choose, twelve years of school life, which was as yet a fascination to us. With questioning steps we stepped onto our first and second rung of the ladder under the direction of Miss Ruth Studer. Here we learned the first fundamentals of our education.

On our third and fourth rung we had Miss Crockett for our teacher. Under her guidance we spent very happy years. Our curriculum was increased each year.

On our fifth rung Miss O'Brien was our teacher for the first part of the year. After her death Mrs. Witte finished the year.

We spent our last year in elementary school under the guidance of Mr. Long.

When our school year opened for our seventh rung of the ladder, the new group which entered Jr. high school consisted of thirty members, a number which made this class the largest. This year we elected class officers for the first time. It was also a new experience to change classes and to have no recesses.

On our eighth rung we had twenty-three members still with us. During this year we had Mr. Clark for our class sponsor. We made studying our main purpose, or at least tried to make it so.

As a Freshman class we entered with twenty-two members to tackle Senior high school. Our officers were Donald Kuhlman, President; Joe Meder, Vice-President; Grace Hebler, Secretary; and Russell Loomis, Treasurer. Mr. Clark was our sponsor.

After spending a happy vacation, we again started back with new vigor and a determination to achieve our goal. A class meeting for the purpose of electing officers immediately followed. We ended our school year with nineteen members to begin the Junior year.

In the fall of '41 we again returned with renewed interest and a feeling of self-satisfaction with the fact that we were now Juniors.

Under the guidance of Miss Donnell and Mr. Needles we made our debut as actors in the mystery play, "Demon in the Dark."

The class colors "Blue and White" were chosen this year. The crowning feature of our Junior year was the Junior-Senior Banquet which was a huge success.

Our class officers for this year were Donald Kuhlman, President; Kenneth Layman, Vice-President; Shirley Beeker, Secretary; Betty Joseph, Treasurer. Miss Donnell was our class sponsor.

The year to which we had looked forward with such eagerness has come and we are now seniors. "The Web" is edited and it is our hope that it is a better yearbook than ever.

This year our class was well represented on the athletic teams. We wish the future athletes as much and more success.

Mr. Croll has been our guide for this year. Officers elected were Donald Kuhlman, President; Kenneth Layman, Vice-President; and Grace Hebler, Secretary; Clark Duncan, Treasurer.

In parting, we do not care to leave the impression that we are unassuming and dignified Seniors but that we are merely young men and women who have striven to uphold and to cherish the traditions and ideals of this school.

Shirley Beeker
Elma Rothenbuhler

CLASS WILL

We, the graduating class of 1942, of Webster High School, County of Wood, State of Ohio, being of sound mind and memory, do make and declare this to be our last will and testament, hereby revoking all wills heretofore made:

- FIRST: Harold Layman wills all claims on his cousin to Jane McDowell.
- SECOND: Clark Duncan leaves his clowning ability to Ruth Morelock.
- THIRD: Hank Scsavnicki leaves his super-deluxe dancing ability to Marion Layman.
- FOURTH: To Marilyn Emmitt, Eleanor Schwisow wills her ability to get a date with any boy available when she is left stranded.
- FIFTH: The entire class wills the title of "Senior" to the Junior Class.
- SIXTH: Joe Meder wills his reason for going to Luckey to whoever wants her.
- SEVENTH: Elma Rothenbuhler gives eight nights every week to Johnny Newman.
- EIGHTH: To Jim Emmitt, Harold Seifert leaves his green '37 Chevy, hoping he can find some use for it.
- NINTH: Grace Hebler thinks he is too good to give away.
- TENTH: Glenn Phillips leaves his brief-case with three typing books in it to Mabel Brinker.
- ELEVENTH: Dale Bruggemeier wills his extreme interest in the fairer sex to Russell Gottschalk.
- TWELFTH: Dale Gross has nothing to will away. He thinks he should have a refund from the school board for the wonderful care he has taken of his textbooks during the four years in high school.

- THIRTEENTH: To Marcella Dahms, Bonnie Newman leaves her sobriety and quietness of manner. (Try it once, Marcella.)
- FOURTEENTH: Florence Swartz wills her ability to get acquainted with boys from other schools to Evelyn Gross and Arlene Beaverson. (Try it! It's fun according to one of the sophomore girls.)
- FIFTEENTH: Ken Layman leaves his ability to keep her family awake all hours of the night to Merrill Shaffer.
- SIXTEENTH: Patsy Robles wills her man-pulling equipment to June Phillips. Her cosmetic case can be found in the upper part of Locker 23.
- SEVENTEENTH: To Doris Gross, the Senior Class wills their sympathy because Harold is graduating.
- EIGHTEENTH: To Homer Puse, Shirley Beeker bequeaths her ability to stay home seven nights a week just to write letters to people of the opposite sex.
- NINETEENTH: The boys of the class leave their ability to throw parties and to get home early (in the morning) to "Doc" Lynch.
- TWENTIETH: Don Kuhlman leaves his ability to capture the main love scenes in a play to "Freak" Brinker.
- TWENTY-FIRST: To Mr. Roller, the class leaves all waste paper, book covers, and other miscellaneous articles, with which he may do whatever he pleases.
- TWENTY-SECOND: To the faculty, the class grants them the satisfaction of not having to put up with us for another year.

In Witness Whereof, we hereunto subscribe our names this eighteenth day of May, in the year of our Lord, one thousand nine hundred and forty-two.

Dale Gross
Joseph Meder

CLASS PROPHECY

When my colleague Harold Layman and I discussed taking a trip after school was out, we decided to go to Hollywood. We had read somewhere that Gypsy Rose Lee was out there and that she was "exotic." Of course we said to each other, since she is a gypsy, exotic must mean that she is a fortune teller. And since we desired to know what the future held for us, we found ourselves on Gypsy Rose's front door step. A butler admitted us and told us that Miss Lee was expecting us. We were a little surprised at this as we didn't think Webster's fame had spread to Hollywood yet. Anyway we were ushered into the library and there sat Gypsy Rose looking very beautiful with a crystal ball in her hand. We were concentrating so hard on Miss Lee that it was a little time before we noticed the crystal ball. When we asked about our futures she told us to peer over her shoulder and we would see not only our destinies but those of our classmates as well.

The first to appear in the crystal is our old friend, Clark Duncan. As was to be expected he achieved what he desired. He is now Political Boss of the Republican Party. He is scheduled to speak at Chicago as he is running for President of United States. This is his last step to success. He has abolished his "mudslinging" policies and has turned toward eloquent speeches, where he uses the power of words to get what he wants.

Miss Lee turns the crystal a little and a new vision appears. We see a large building on which there is posted a sign, The Swartz Business College. Yes, our former classmate is the owner of the college in which there are more than 1000 students enrolled.

The crystal spins and across its face flashes a country scene. Here we see a large set of buildings. Across the front of the buildings there is inscribed the name Dale Brueggemeier. It is his farm and he is experimenting with a new hybrid corn which grows ears a yard long and a dozen to the stalk. He says he can grow on his own farm as much corn as Roosevelt wants the whole country to grow.

As this vision fades another comes into view. We see another former classmate. It is Dale Gross, who is the owner of 25 trucks, mostly Chevrolets. He hauls everything from beets and tomatoes to safety pins and pencils. He has designed a new type of truck which has more lights on it than a well-lighted Christmas tree. Of course, Dale is doing no hard work. As we look into his office, we see him lounging in his swivel chair sleeping, much the same way as he did in his former school days.

The vision grows dim and another one appears. It is Kenneth Layman blocking beets with his new device called the "copper topper." He is married and could you guess who the lucky girl is! Yes, you're right. It is his former school girl friend, Jane McDowell. Kenneth still likes music as well as ever and is playing with the Woodville Band.

As the vision fades we get up to stretch our cramped bones and wipe out our eyes. When we look again who should stare us in the face but our old classmate, Grace Hebler. Grace is the President of the Hebler College which she founded. She is a nationally known teacher of biology. One thing that is almost unbelievable is the fact that Grace is still single, an old maid now. How she remained single is still a mystery to my colleague and me.

As we gaze a little longer into the crystal ball we see another familiar figure, Joe Meder. Joe has now settled down and is a prosperous farmer, owning over 300 acres of land. Yes, as was to be expected Joe is married and is the proud father of 10 children. To people who are inquisitive, there are 7 boys and 3 girls. Nice going, Joe!

The picture fades away as another comes into view. Another classmate is silhouetted against the glass. It is our old friend Elma Rothenbuhler. She has achieved her ambition. She is a thrifty housewife. I suppose you wonder who the lucky man is. It is John Newman, her old high school boy friend.

Now our friend, Miss Lee, reaches out and turns the crystal around. We see a great crowd in Madison Square Garden. We ask Miss Lee what this is all about and she informs us that it is a great Democratic Rally, the speaker none other than Donald Kuhlman, the leader of the Democratic Party. He is following the policies of Mr. Roosevelt to the letter. Republicans need not fear, though. From experience in our school days, we think Donald would make a very capable president.

The vision fades away and we are astonished to see Miss Lee reach out and take the crystal ball from the table and replace it with a nice, new shiny one, which she says is capable of showing clearer visions. She winks at us. As we drop our eyes in embarrassment, we see the familiar figures of Harold Layman and Harold Seifert. Seifert is the rookie sensation with the Podunk Hitless Wonders baseball team, holding the league record of failing to get a hit in 35 consecutive games. Manager Harold Layman, Si's old classmate, who is now managing the Hitless Wonders is jubilant because the husky center fielder came through with an infield hit. Layman said he had not expected Si to connect already, since the season is just a month old. Several teams have

been negotiating with Layman for Si's services, especially the New York Yanks who anticipate converting him into a ground keeper.

As Miss Lee starts turning the new crystal ball, a large office building comes into view. In one of the offices we see our old classmate Eleanor Schwisow. She is an accomplished secretary now. We are astonished, but not surprised, to see Eleanor sitting on her boss's lap taking a letter. Mr. Gillicutty, her boss, seems to be more engrossed in his secretary than in his business and has gotten clear off the subject of his letter.

The next vision to appear is that of another large office building. We gaze at the top floor of this building which is the home of the Atley & Alton Tire Corporation. There we see Bonnie Newman and Shirley Beeker. They have achieved their ambition and are established secretaries. They are both single, although they admit they have prospects even at their age.

Miss Lee reaches out and wipes off the dust that has collected on the crystal and we see another former classmate, Patsy Robles. We are not surprised to hear that she is married and a successful housewife. She has things as she wants them. She does little work since she has 7 servants about her home.

The next scene is a large landing field for airplanes. A huge transport plane is warming up and looking into the cockpit we see an old friend, Henry Scsavnicki, at the controls. He is now a well known pilot and is working on a new type plane that will fly at the unbelievable speed of 800 miles per hour. He says it will revolutionize the airplane industry.

The last vision to appear is that of another familiar figure, Glen Phillips. He is a prosperous farmer now and has gone into the dairy business. He has a large herd of cows and also owns the world's champion milk-producing cow. He also does a little experimenting as a hobby. He is working on a new type of milking machine with a camera attachment.

The crystal turns black and Miss Lee informs us that there is no more and that we owe her ten dollars. My pal and I are very much embarrassed as we have no money. Miss Lee grows impatient and calls her bouncer and the next thing we know we are sidling across the street with very little trouble. We pick ourselves up, massage our bruises and cuts, and resolve never again to go near another Gypsy's place of business.

Harold Seifert
Harold Layman

CLASS POEM

The time has come when we must part--
When we must bid each friend adieu,
But the memory of Webster will fill each heart
With a feeling of gladness each year anew.

Many are the times that we have felt
The punishment for some work undone;
But also has our school life dealt
Happy days that can be compared to none.

So may we take this time today,
To say "thank you" to all those near
Who may have helped in any way,
To make our twelve years happy here.

Florence Swartz
Glen Phillips

GOODBYE FRIENDS

Goodbye friends, Goodbye friends,
For we are forced to leave you now,
The time has come when we must go
Into a life that none can know
So goodbye friends, Goodbye friends,
Although our parting may be near,
Our alma mater we'll hold dear--
Webster High, Goodbye now.

Eleanor Schwisow
Bonnie Newman

(Written to the tune of "Goodbye Now")

JUNIOR CLASS

Third Row: Evelyn Gross, Doris Gross, John Newman, Lawrence Lynch, Russell Gottschalk, Merlin Brinker.

Second Row: Miss Donnell, June Phillips, Merril Shaffer, Homer Puse, Ruth Morelock, James Emmitt.

First Row: Marcella Dahms, Arlene Beaverson, Mabel Brinker, Marion Layman, Marilyn Emmitt, Jane McDowell.

SOPHOMORE CLASS

Second Row: Miss Archer, Leonard Wight, Merritt Van Vorhis, Raymond Dunipace, Harry Swartz, Elsie Swartz.

First Row: Elizabeth Lewis, Joseph Scsavnicki, Ralph Christen, Montez Jimison, Irene Magsig, Helen Janet Emmitt.

WILLIAMSON COUNTY HIGH SCHOOL
YEARBOOK COMMITTEE
1940-1941

Liz →

JUNIOR CLASS NEWS

School opened in September with eighteen members of the Junior Class to face the tasks of their Junior Year.

We elected the following officers at the beginning of the year:

President-----	Marion Layman
Vice-President-----	Mabel Brinker
Secretary-----	Arlene Beaverson
Treasurer-----	Marilyn Emmitt

We were very glad to have Miss Donnell as sponsor to guide us over all the hard spots.

The Junior Class inaugurated a new custom this year when they ordered their class rings in the fall so that they might wear them in the Junior Year. The rings, ordered again from the Herff-Jones Company, were very satisfactory.

For the purpose of raising money, the Juniors served cafeteria luncheons every six weeks. These proved very successful financially.

Some of the members of the Junior class had a chance to show their acting ability in the one-act play, "Borrowed Tails," given at the Annual Chicken Supper in the fall.

The Juniors were guests of the Senior class at a Halloween party. We had an enjoyable evening playing games and eating delicious refreshments afterward.

The juniors and seniors held a joint Christmas party at the school house. Games were played. Group singing of Christmas carols and a gift exchange were held around the beautifully decorated Christmas tree in the upper hall.

The Junior class were again guests of the seniors at a coasting party in January. Casualties were slight. Everyone had a swell time. Refreshments of chili and hot chocolate were served at the school.

Due to the prolonged tournament season this year there was a lack of time in which to practice and so the Junior Class decided not to sponsor a play.

The last important event of the year was the Junior-Senior Banquet. The Juniors decided to hold it at Kohl Hall on the University campus, May 21. A theater party followed the dinner.

SOPHOMORE CLASS

The Sophomore class was organized last fall with an enrollment of thirteen members. During the first semester, Glenn Reamsnyder, Orval Gottschalk, and Jule Kent moved away, leaving only ten members. However, during the second semester, Merritt Van Vorhis from Wayne joined our class.

At our first class meeting under the direction of Miss Archer, our sponsor, we elected the following officers:

President-----	Ralph Christen
Vice-President-----	Montez Jimison
Secretary-----	Irene Magsig
Treasurer-----	Joe Scsavnicki

On Halloween eve, we were guests of the Senior class at a high school party. Irene Magsig won a prize for being the best-dressed. At Christmas, the class exchanged names. The Christmas party was at Irene Magsig's home. We exchanged gifts and spent an evening in fun and frolic.

On the evening of February 10, 1942, the Sophomore class had a coasting party on the Village Hill. The Freshman Class were invited as guests. No casualties were suffered. A delicious lunch was served at the school house.

Four pupils represented our class in the county tests given at Bowling Green on April 4: Elsie Swartz and Montez Jimison in English 10; Leonard Wight in World History; and Irene Magsig in Biology.

On the test returns Elsie Swartz ranked 14th and Montez Jimison ranked 8th in English 10; Leonard Wight ranked 15th in World History and Irene Magsig ranked 10th in Biology. We are proud of these participants as the contestants were competing with the best in the county in these subjects.

Two boys of the class were among those that got to go to Springfield to play in the State Basketball Tournament. They both received a medal and trophy for helping to win the district championship. They also received awards from Coach Long at the Athletic Banquet held on April 10. They are Leonard (Gus) Wight and Ralph (Charlie) Christen.

We feel that we have completed another milestone toward the goal of education. We are now looking forward to the activities of the Junior year.

FRESHMAN CLASS

Third Row: Willard Schwisow, Claire Welling, John McCann, Joan Lembke, Helen Joseph, Paul Seifert, Lloyd Meyer.

Second Row: Mr. Clark, Dorothy Swartz, Alice Sheffer, Maurice Rogers, Ilene Nixon, Doris Fahle, Charlotte Aspacher.

First Row: Leslie Scsavnicki, Jane Sundermeier, Donald Michel, Donna Joseph, Marie Schmidt, Helen Miller.

EIGHTH GRADE

Second Row: Mr. Plocher, Mildred Swartz, Lloyd Swartz, Elton Shaner, Evelyn Magsig, Cloyce Kent, Richard Van Vorhis.

First Row: Doris Schwisow, Daniel Scsavnicki, Charles Johnston, Ramon Jimison, Ramona Jimison, Doris Puse.

FRESHMAN CLASS

On September second, nineteen hundred and forty one, school opened after three-months' vacation, with a new Freshman Class of twenty-one pupils. At a class meeting we elected the following officers:

President-----Donna Joseph
Vice-President-Donald Michel
Secretary-----Marie Schmidt
Treasurer---Jane Sundermeier

Mr. Clark, our sponsor, guided us through the following activities.

During the first semester we were invited by the seniors to their Hallowe'en party. Following the masquerade came the freshman initiation. It was to roll a bean across the gymnasium floor and to write a fortune out of fifteen letters which had been chosen and given to us.

On December 22, Joan Lembke invited the Freshman Class to her house for the Christmas Party. After the gifts were exchanged, delicious refreshments were served.

Our next social event was the coasting party which the freshmen and sophomores held together, February 11, on Village Hill. After an evening of sledding with no major catastrophies, the group went to the school house where the committee served a lunch of chili, jello, and hot chocolate.

On April 4, representatives of our class went to Bowling Green for the County Scholarship Tests. Alice Sheffer and Helen Joseph represented English 9; Paul Seifert and Leslie Scsavnicki went for Ninth Science; and Lloyd Meyer represented Algebra I.

During the first semester our class decreased to nineteen pupils when Eileen Reamsnyder and Norman Hoffheins moved to other school districts.

Some of the girls of our group made up the Girl's Ensemble which sang at the music contest held at Ada, April 11. Helen Joseph, Charlotte Aspacher, Doris Fahle, Alice Sheffer, Jane Sundermeier, and Joan Lembke were in this group. They sang "When Love is Kind" composed by George J. Trinkaus.

Of the freshmen basketball boys, who all displayed fine ability this year, Donald Michel had the privilege of being one of the ten boys who played in the County, District, and State Basketball Tournaments.

EIGHTH GRADE

On September 2, 1941, the Eighth Grade Class enrolled with fourteen pupils.

At our first class meeting the following officers were elected:

President-----	Ramon Jimison
Vice-President-----	Charles Johnston
Secretary-----	Daniel Scsavnicki
Treasurer-----	Ramona Jimison

Mr. Plocher has been our sponsor this year.

The Junior High classes had a weiner roast at the Roadside Park, Route 23, Tuesday, October 23. Mr. Baker entertained the classes by telling fish stories. Later everyone enjoyed a lunch of potato chips, hot dogs, and cider.

At Halloween time we decided to have another party. We held this one in the high school gym. Prizes were given to the best-dressed girl, Evelyn Magsig, and also to the best-dressed boy, Cloyce Kent. We played volley ball and then ate refreshments.

At Christmas the class exchanged gifts the eighth period in the study hall.

The seventh and eighth grades are having a spelling contest in English. The class that has the highest score at the close of the year will be the guests of the losing class.

During the last semester we have lost two pupils, Doris Vestal and Harold Meeker. However, Richard Van Vorhis, from Wayne has joined the class.

The Eighth Grade Scholarship Tests were held on April 17. These tests are given every year to eighth grade pupils all over the state. The tests were in English, Math, Science, and Social Science.

Three of the girls in our class were in the Drum Majorette group. Evelyn Magsig, Doris Schwisow, and Ramona Jimison looked very neat in their white uniforms twirling their batons.

We have tried very hard to master our subjects this year so that we may be entitled to enter high school next year.

SEVENTH GRADE

Third Row: Franklin Shaffer, Bobbie Neal, Eloise Meder, Walter W. Davidson, Donald Melcher, George Lembke.

Second Row: Mr. Baker, Eldon Layman, Mary Lou Van Vorhis, Donald Swartz, Joan Philo, Ronald Joseph.

First Row: Ellen Sheffer, Mary Lynn Rideout, Iva Canfield, Bobby Philo, Walter E. Davidson, Russell Emmitt.

ROOM IV

Third Row: Bobbie Beeker, Betty Kelley, Tommy Sanders, Clyde Meeker, Willis Bockbrader, Mary Lou Newman, Betty O'Brien, Helen Swartz.

Second Row: Miss Leininger, Doris Ann Pope, Richard Magsig, Elmer Scsavnicki, Lyle Shaffer, Jacqueline Willard, Lloyd Fahle, Maxine Eilert, Wilbert Oberdick, Paul Krukemeyer.

First Row: Miriam Miller, Ralph Phillips, LeRoy Gottschalk, Harold Williams, Eleanor Welling, Richard Collins, Lurelle Loomis.

SEVENTH GRADE

On September 2, 1941, twenty pupils in the Seventh grade reported to Room V. As we were not used to the new departmentalized work, it took us a little time to adjust ourselves.

At our first class meeting, under the guidance of Mr. Baker, our class sponsor, we elected the following officers:

President-----Bobbie Philo
Vice-President-----Iva Canfield
Secretary-----Mary Rideout
Treasurer-----Walter E. Davidson

Our first class party was at the Roadside Park. We joined the Eighth grade for this party. We played flying dutchman, hide and go seek and other games. After everyone was thoroughly tired we ate hot dogs, cider, and potato chips.

Our second party was held at the time when spooks, witches, and black cats were in the air. Again the Seventh and Eighth grades went together to have a Halloween party. Everyone came in costume and prizes were given to the best-dressed. Ronald Joseph and Joan Philo were the lucky ones.

At Christmas time we had a gift exchange.

After Christmas our class number was lessened to sixteen as James and Beverly Hoffheins, Royle Kent, and Elton Shaner moved to other schools.

Mary Lou Van Vorhis who came from Wayne school, increased the enrollment to seventeen in the second semester.

In the spelling contest held between the seventh and eighth grades in English class, we were the losers. The Eighth grade had a 6-point lead at the end of the first semester and although we improved our spelling during the second semester we were not able to get ahead. Therefore, as the losers, we had to give the winners a party. This was the closing party of the school year.

Four boys of the seventh grade, George Lombke, Walter Witte Davidson, Franklin Shaffer, and Bobbie Philo played on the Junior High Basketball Team.

At the close of this school year, we in the Seventh grade feel that we have added another step toward our goal of education.

ROOM IV

We began our school year on September second, nineteen hundred forty-one, with twenty-six pupils. There were nine in the fifth grade and seventeen in the sixth grade.

In the fall, Theodore Reamsnyder moved to Luckey.

On Friday, October thirty-first, we had a Halloween party. Many of us wore costumes and we paraded through the other grade rooms and the study hall. Afterwards we ate apples, candy, cookies, and popcorn.

The annual chicken supper was held on November fifth. Many of us sold tickets for this.

On the afternoon of December twenty-third, we had a Christmas party and gift exchange. That evening we took part in the Christmas program. Our room gave a play called "The Lost Merry Christmas."

As a Red Cross project we gave Christmas gifts to the boys and girls in the Wood County Children's Home.

We enjoyed writing letters to the boys from Webster Twp. who are in the service. We received extra credit in English for each letter we wrote.

We had physical education every Tuesday and Thursday. In the fall and spring we played softball. In the winter we played many different games including six-court basketball.

During February we made valentines and again read about Robert E. Lee, Washington, Lincoln, and St. Valentine.

For the most part we have done free hand drawing in art classes and our work has shown much improvement.

Each month we obtained reading books from the Bowling Green Public Library. Many of these books correlated with our other lessons.

To help us improve in spelling we have kept two spelling charts this year. Prizes were given each semester to those having the highest scores. During the second semester we spent one day each week reviewing words from the first semester.

We have attended several movies, lectures, and concerts this year.

G. L.

ROOM III

Third Row: Dickie Beeker, Robert Henschen, Ruth Rothenbuhler,
Letha Newman, Marilyn Rogers, Herbert Bushman, Robert
Johnston.

Second Row: Miss Mathile, Paul Willard, Elmer Scsavnicki, Norma
Jean Brown, Mildred Bockbrader, James Miller, Lloyd
Seifert, Carl Oberdick.

First Row: Ardanelle Shaffer, Dwight Emmitt, Jackie Shaffer,
Mollie Jo Jimison, Gene Layman, Robert Rideout.

ROOM II

Third Row: Miss Eckert, Shirley Welling, Robert Sheldrick, Ellen
Jean Hebler, Phillip Halicki, Sara Jane Wight, Dorothy
Schivelbein, Ruth Swartz.

Second Row: Russell Dunipace, Doris Brocke, Jacqueline Sanders,
Jimmie Earl, Dale Newman, Susan Hemminger, Leo
Schivelbein, Glen Oberdick.

First Row: Joan Bloom, Richard Gottschalk, Willard Collins, David
Loomis, Betty Breit, Ruth Milliron.

ROOM III

We began our school year on September second, nineteen hundred forty one, with twenty-two pupils in our room. There were nine in the fourth grade and thirteen in the fifth grade. During the year we welcomed three new pupils--Homer Montalvo in the fourth grade and Mildred Bockbrader and Earl Dewitt in the fifth grade. We were sorry to lose Gene Reamsnyder, Earl Dewitt, Clayton Hoffheins, and Homer Montalva who moved out of our school district.

Our first party was on Halloween. Most of us wore costumes and paraded through the grade rooms and the study hall. Our room was lighted by candles to give an eerie effect. We enjoyed eating popcorn, candy, and apples.

We took part in helping with the annual chicken supper by selling tickets.

We attended the Thanksgiving Chapel program. We sang several songs and listened to recitations and a talk by Reverend Jaynes of Bowling Green.

On December twenty-third we had a Christmas program. Our room presented the play, "The Christmas Mittens."

Many pupils in our room brought gifts at Christmas time for the boys and girls in the Wood County Childrens Home.

On Valentine's Day we had a valentine party and a valentine exchange. Some of the valentines which we gave to our friends were made in an art class.

We have done free hand work in most of our art classes this year.

We had a chart on which to keep a record of our progress in spelling. If we made a perfect score for the week we received a star on the chart. Those who received the most stars were given prizes.

We enjoyed reading books from the Bowling Green Library again this year.

We received extra credit in English for writing letters to boys who are now in army camps. We found out that our letters were greatly appreciated.

This year we have tried to be Little American Citizens like the boys and girls about whom we read in our reading classes.

E. M.

ROOM II

School opened September second, nineteen hundred forty-one, with twenty-five in our room. There were fourteen in the second grade and eleven in the third grade. During the year, Iona Gottschalk, Carvel Crow, and Aransibia Zavala moved.

Our first party was on Hallowe'en. After the parade through the rooms we ate candy, apples, and popcorn.

The free hand drawing and cutting of owls, turkeys, snowflakes, snowmen, children with sleds, Dutch children, and windmills which we made in art classes were used for borders during the year.

We enjoyed the Christmas party and gift exchange. We took part in the Christmas program Tuesday evening, December twenty-third. Our play was "Christmas with Mother Goose."

We gave toys to the boys and girls in the Children's Home at Bowling Green.

We kept a record of our progress in spelling on a chart.

An interesting chart was the one on which we kept a record of the library books we read. We got the books from the Bowling Green Public Library.

"Long Long Ago", "Scalawags the Scottie", "The Wizard of Oz", "Greased Lightning", and "People Who Come to Our House" were the Reading Circle books we enjoyed reading.

Miss Betty Britton from Bowling Green State University observed and taught in our room two weeks in February.

We made a post office. It was the center of interest in our room during the time we were writing interesting letters to each other.

We saw an educational demonstration of pottery making given by Mr. Edwin Dill on March eighteenth.

We tried two interesting experiments. We planted beans in clay, and in rich black earth to see which would grow faster. We also planted beans in a jar which we kept in a dark place. We put another jar of beans in the sunshine. We found out that sunshine is very necessary for growing plants.

We enjoyed watching for the signs of spring.

M. E.

FIRST GRADE

Second Row: Joyce Jimison, Jimmie Philo, Jo Ann Henschen, Miss Reitzel, Tommy Davidson, Larry Nixon, Joan Newman, Mary Wallace, Dale Fahle, Ruth Bosse.

First Row: Grace Rothenbuhler, Bernice Eilert, Doris Dierksheide, David Venis, Alex Schivelbein, Kathryn Milliron, Mary Bloom.

Absent: Ivan Swartz, Joyce Harmeyer

Explanation of first grade picture

The picture on the opposite page is a room-view of Miss Reitzel's first graders. Numerous charts, posters, and plant flowers in the background all add up to give a comfortable and cheerful air to the boys and girls starting in on their school career. The little chairs and desks where they are sitting are characteristic in showing how their work in the classroom is carried on.

ROOM I

On September 2, 1941, twenty boys and girls started their school careers. Mary and Joe Zavala and Olivia and Jessie Montalva left us in the fall. Irma Kent went to Milton Center School in the spring. Joyce Jimison joined our room in April.

The pupils were divided into two groups: the Busy Bees and Brownies.

The new Dick and Jane Pre-primers were used. The children found them very interesting and were eager to read one book after the other.

Each pupil made a Family book and an Animal book.

Mr. Baker and the boys made us a fine bulletin board. This gives us the opportunity to put up more of our papers.

We had seven different charts. They were Poem chart, Word Chart, Neatness chart, Milk chart, Book chart, ABC chart, and Food Charts.

The Halloween party was our first party and was a big event. We paraded in all the rooms with our clever costumes.

Mary Wallace and David Venis brought bouquets of bitter sweet to decorate the room.

The room was all decorated for Christmas. The pictures, window decorations, and chains across the locker doors helped give us the Christmas feeling. Names were exchanged.

A contest was held to see who would get the most Christmas seals on papers and pads. Jimmie Philo, Tommy Davidson, and Mary Wallace were the winners.

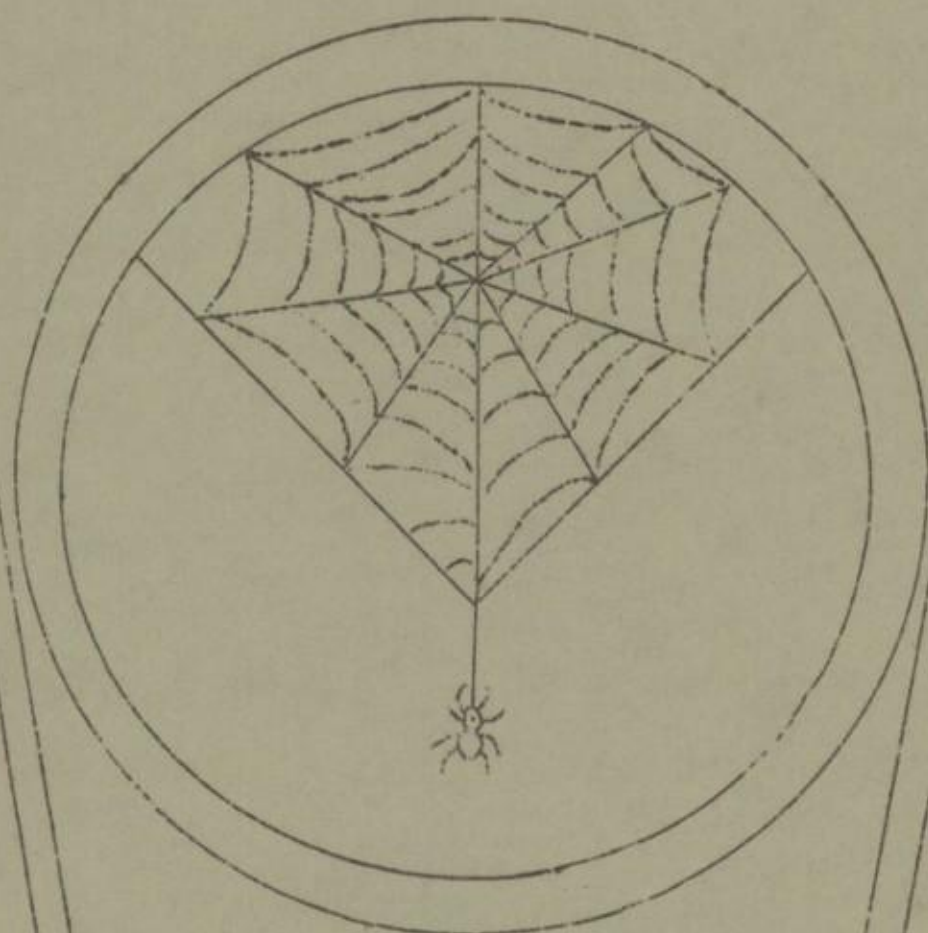

All the boys and girls had a part in the Christmas program. A one-act play was not given this year because so many boys and girls had the chicken-pox. The dialogues given were "A Christmas Lesson", "The Greeting Cards", and "Welcome".

The following pupils had perfect attendance records for the first semester: Tommy Davidson, Doris Dierksheide, Irma Kent, Larry Nixon, and Grace Rothenbuhler.

The Easter rabbit came on Wednesday night and filled the baskets we had made.

Scsavnicki, Alice Sheffer, Marcella Dahms.

Sitting: Charlotte Aspacher, Jane McDowell, Doris Fahle, Miss
Donnell.

N. Y. A.

Florence Swartz, Shirley Beeker, Bonnie Newman, Eleanor Schwisow.

These four girls were chosen to do work under a program set forth by the National Youth Administration. They received valuable training and were of much help to the faculty.

Skylight

The SkyLight is published once every four weeks by the Staff of Webster High School.

The sponsors, Mr. Plocher and Miss Donnell, and the Staff of the SkyLight decided this year to put out a new type of school paper, featuring articles of news value, rather than merely reviewing past events as was done in previous years. The desire for a new publication resulted when members of the staff and sponsors attended the journalism meetings of the Northwestern Ohio Schools. At these meetings various phases of journalism were discussed and ways in which school papers could be improved were pointed out. The fine cooperation of the staff, student body, and the community in contributing articles has made the paper a success.

To each family represented in school this paper is given free of charge, to interest the people of the community in our school.

Library

Jane McDowell, head librarian, with the aid of Miss Donnell, directed the following librarians to serve the high school students in the hope of stimulating their desire to do more reading.

1st	period-----	Kenneth Layman
2nd	period----	Henry Scsavnicki
3rd	period--	Charlotte Aspacher
4th	period-----	Florence Swartz
5th	period-----	Doris Fahle
6th	period-----	Elsie Swartz
7th	period--	Marcella Dahms
8th	period-----	Alice Sheffer

Many new books, primarily agricultural and scientific, were added this year. The Circulating Library from Bowling Green furnished 80 books every six weeks.

The Athletic Journal, Good Housekeeping, Better Homes and Gardens, and Popular Science, used as reference material in many of our classes, were subscribed for this year.

"Read not to contradict and confuse; nor to believe and take for granted; nor to find talk and discourse; but to weigh and consider."

-Francis Bacon

Senior Band

The Senior Band, now in its sixth year, was organized in the fall with the election of the following officers:

President-----Kenneth Layman
Vice-President----Marion Layman
Secretary-----Grace Hebler
Treasurer-----Harold Layman
Head Librarian---Jane McDowell
Ass't Librarians-Marcella Dahms
 Eleanor Schwisow
 Evelyn Gross

The first fall performance of the band was at the Fall Festival held in Bowling Green, October 8, 9, 10. The Bowling Green Band played host to the other contesting bands.

Marilyn Emmitt was chosen to play at the Northwestern Ohio High School Band and Orchestra Festival, sponsored by the Music Department of Bowling Green University, February 14. This band, made up of band students from Northwestern Ohio, was under the direction of William D. Rivelli of the University of Michigan.

The band played at the home basketball games, Junior Hi Tournament, the Wood County Basketball Tournament, and the Cattle Feeders' Banquet.

Last summer the band played at Woodville on the Fourth of July, at Dowling and Luckey on Memorial Day, and held an ice cream social at the school house.

As the closing event of the year, the band took part in the High School program and the Commencement Exercises.

Athletic Committee

The purpose of the Athletic Committee is to set up the standards for the participation of students in athletics and also to determine the rules for obtaining letters and awarding medals in the various sports. The Athletic Committee was first organized six years ago.

The members of the committee this year were Mr. Croll, Mr. Long, Kenneth Layman, and Marion Layman. The chief aim of this committee was to build up interest in good, clean, healthful sports.

Junior Band

The Junior Band consisted of nineteen members this year with pupils in grades ranging from the fifth to the eighth. These people are being taught the principles of the various instruments so that they may enter the Senior Band.

Drum Majorettes

At the start of the school year the drum majorette group was composed of Marilyn Emmitt, Romona Jimison, Maxine Eilert, and LeRoy Gottschalk. However, five new members, Evelyn Magsig, Mary Lyn Rideout, Ellen Sheffer, Helen Swartz, and Doris Schwisow have joined them this year.

The majorettes have white uniforms trimmed with gold braid. Most of them have white boots to match.

During the basketball season the majorettes twirled in formation with the band. They performed during the Wood County Tournament and Junior Hi Tournament.

Girls' Glee Club

This year Miss Archer has inaugurated a voice class, the supplement of the Girls' Glee Club. The purpose of this class is to train the voice, to get the technical part of singing, and to help in developing the singing quality of our voices. The class had the following officers:

President-----Marcella Dahms
Vice-President-Marilyn Emmitt
Secretary-----Doris Fahle
Librarians-----Montez Jimison
Irene Magsig

This group sang at the Webster Church on Easter Morning at a Sunrise Service. The number was "When Jesus was a Little Child."

A Freshman Girls' Ensemble was picked from this group to sing at Ada on April 11. This ensemble consisted of Helen Joseph, Joan Lembke, Alice Sheffer, Jane Sundemeier, Doris Fahle, and Charlotte Aspacher.

The voice class prepared songs that may have future use as festival numbers.

Junior Hi Chorus

The Junior Hi Chorus is made up of boys and girls interested in music from the seventh and eighth grades. The Chorus has made several unit studies including "Music of Primitive Man," "Music of the Machine Age," "Down South," "Romance of Old Russia." The boys particularly have studied Western and Modern Music. The girls made notebook projects in Southern Music. The girls have been doing three part work and the boys, three and four part work. Bass work has also been done. Along with the singing more theory work was included. This gave an understanding of music fundamentals and expression.

Two new members, Mary Lou and Richard Van Vorhis, joined our chorus the latter part of the year.

The Junior Chorus took part in the Christmas program. As there was no County Festival held this year, that part of the usual work was eliminated.

Mixed Chorus

This year for the first time we have had a Mixed Chorus. The Chorus has attempted some A Cappella singing and hoped to become more capable in this type of work. This group met once a week for practice under Miss Archer's direction.

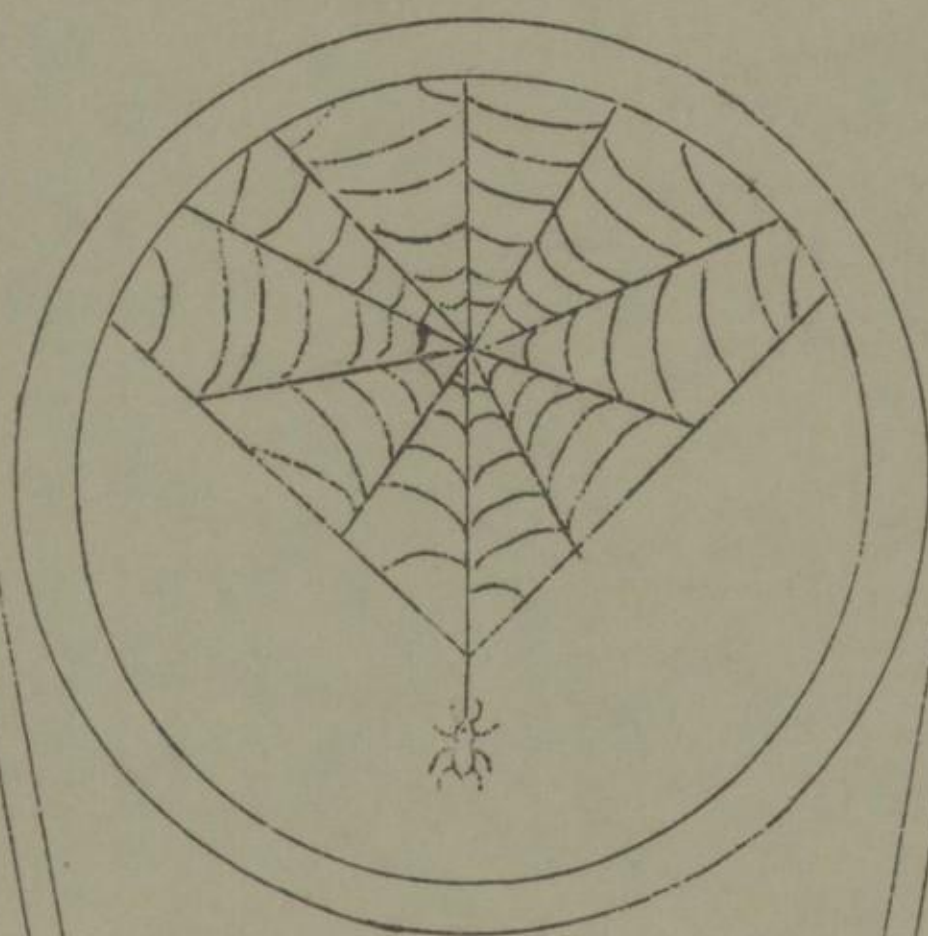

A Mixed Ensemble was picked from this group to attend the Northwestern Ohio Solo and Ensemble Contest held at Ohio Northwestern University, Ada, on April 11. The Mixed Ensemble consisted of Henry Scsavnicki, Merrill Shaffer, June Phillips, Marilyn Emmitt, Montez Jimison, Grace Hebler, Jim Emmitt, and Leonard Wight.

This group was in competition with seven other schools of C and CC classification. Webster received a superior rating and was one of the two schools chosen to go to the state contest at Columbus, May 9.

The Mixed Ensemble sang their contest number "Since First I Saw Your Face" for the Commencement Exercises. Other music was furnished by a trio whose members were Grace, Elma, Eleanor. Their selection was Viva (Praise to Alma Mater).

The Mixed Chorus also sang at Baccalaureate. Besides responses and the choral benediction "The Lord Bless You and Keep You."

Synopsis

The entire action of the play takes place in the settin' room of Aunt Polly's home in Saint Petersburg, Missouri.

Act I---Late afternoon in early Summer

Act II--Scene I--The following noon
Scene II--The following evening

Act III-Scene I--The next morning
Scene II--Several days later; early evening

Sponsor- - - - -Mr, Clark

Physical Education

Every boy and girl in the upper six grades is required to have at least two periods of physical education each week. The purpose of this program is to develop each pupil physically.

The periods are spent in playing games that are appropriate for the season such as basketball, baseball, indoor, volley ball, badminton, and bowling.

One of the most valuable things stressed in the year's work was cleanliness. Mr. Long, the physical education teacher, constantly emphasised cleanliness, not only of the individual himself but also of his gym clothes.

To make a more varied and interesting program Mr. Long taught the groups folk and square dances.

In the coming years a stepped-up physical education program, no doubt, will be carried out. In the interests of national defense, civilian fitness, and morale the Federal government has urged that physical education be emphasized as an excellent means to provide this training.

We feel that our department will answer this call and do its part in the furthering of this rapidly growing important subject.

SCHOLARSHIP TEAM

Third Row: Marilyn Emmitt, Evelyn Gross, Shirley Beeker, Elsie Swartz, Grace Hebler, Alice Sheffer, Glen Phillips.

Second Row: Lloyd Meyer, Donald Kuhlman, Clark Duncan, Helen Joseph, Leonard Wight, Irene Magsig.

First Row: Leslie Scsavnicki, Marion Layman, Homer Puse, Montez Jimison, Marcella Dahms, Eleanor Schwisow.

LABORATORY SUBJECTS

The purpose of these laboratory subjects pictured within is to learn by coming in direct contact with the various things studied. For example, in biology when studying about the various insects, an insect to be studied is caught and is used a great deal in the study. In chemistry the same principle is put into effect. This type of work proves to be very interesting as well as educational.

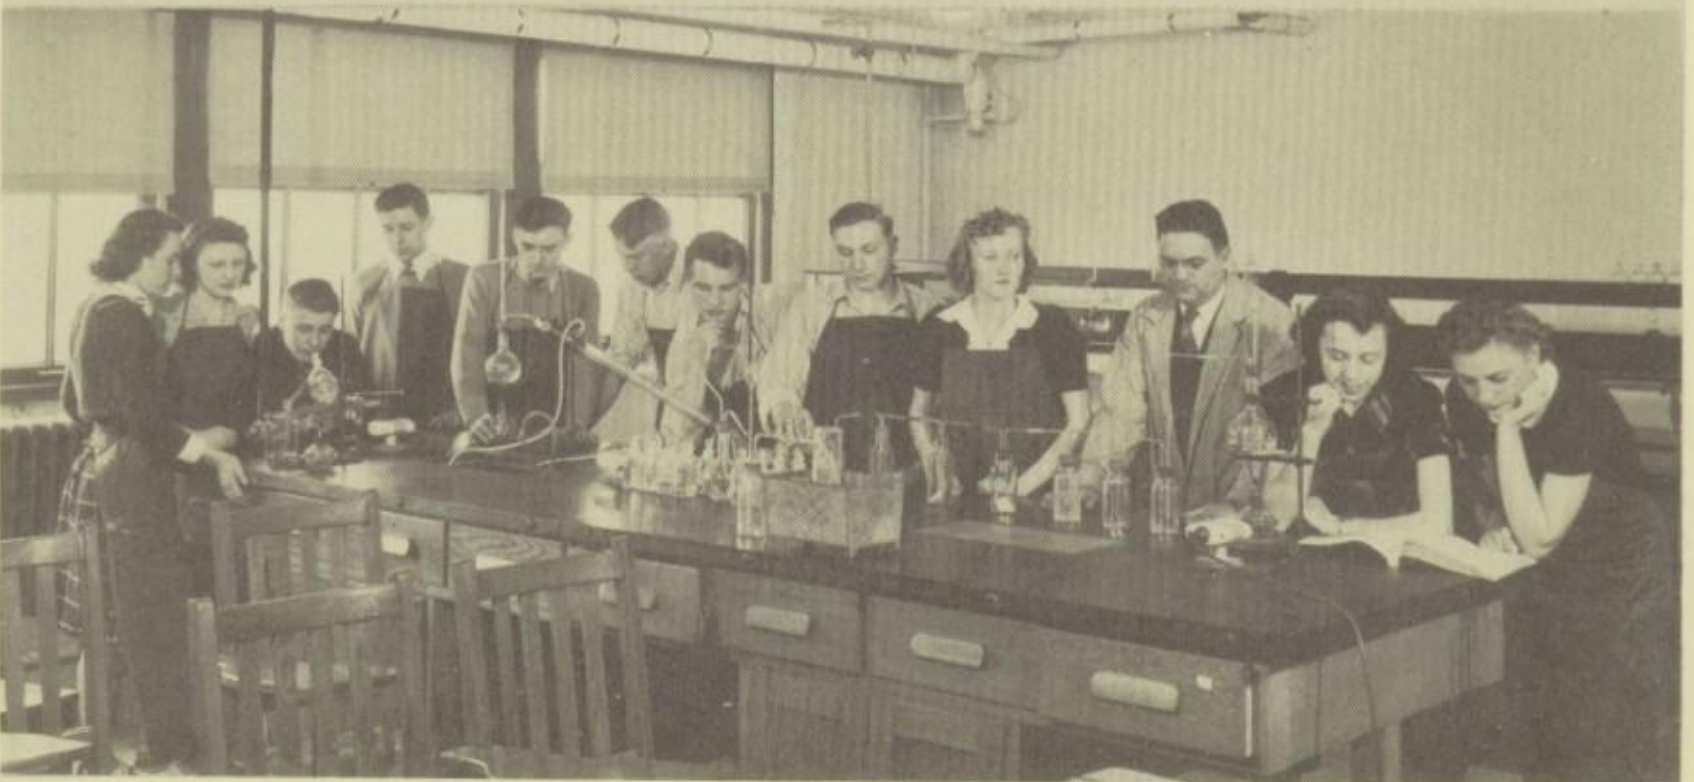

In chemistry, four periods are spent each week in laboratory, where the students learn by experimenting. The remaining three periods of the week are spent in class discussion of the experiments performed. This makes a varied program. Mr. Croll is the instructor.

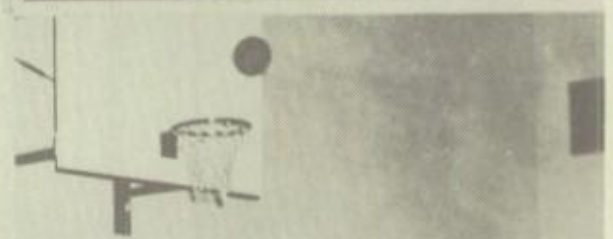

In biology, also, four periods are spent each week in laboratory, where the students come into contact with the actual thing which they are studying. The three remaining periods of the week are spent in class discussion. Mr. Baker is the instructor of this course.

The typing class has a little different set-up. Each student is required to spend two periods each day in typing. One period is spent in taking speed tests and typing the assignments. The other period is spent in practice. Both periods are vitally essential. Mr. Plocher is in charge of the Commercial department.

Star Spangled Banner.	Assembly
Distribution of "Web".	The Staff

Band Picnic

The band held a weiner roast at Side Cut Park, September 19. The party was held to bid farewell to last year's senior members and to welcome the new members.

It is customary for the band to hold a party in the fall for the new and graduated members of the band. To become full fledged members, the new members must be initiated. To the great enjoyment of the rest, the new members were put through an Indian war dance and eating spaghetti while blindfolded.

To "top" the evening of fun, all those present gathered around the oven and roasted marshmallows and weiners and drank lemonade.

Faculty Picnic

The first faculty party of the new school term was a picnic held at Otsego Park, September 17.

The group enjoyed a delightful lunch around the fire. The evening was spent in visiting and getting acquainted with the two new faculty members, Mr. Baker and Mr. Plocher.

Senior Hallowe'en Party

The Senior Class invited the high school to a Hallowe'en Party given in the gym, Friday, October 31.

The gym was gaily decorated with balloons. The entertainment began with a grand march after which the winning masqueraders were chosen. The freshmen and new teachers furnished a lot of fun because at this party they were initiated. After the initiation, games were played.

Doughnuts and cider were served by the refreshment committee.

Home Economics Box Social

The Home Economics Class sponsored a Box Social, Friday, October 17, in the school gym. It was held for the purpose of raising money for the class.

This was the first time that a box social was ever held at our school. The crowd was rather small but in spite of this it proved to be a success. The profit was \$18. A quiz and old-fashioned "sing" made the evening's entertainment.

Athletic Banquet

An Athletic Banquet was held on Friday evening, April 10, in the gym. This sports dinner, held for the first time this year, was given in honor of the basketball, baseball, and track teams, all of which captured championship titles.

Coach Harold Anderson, of Toledo University, was the guest speaker. Coach Anderson upheld the sports program in the schools. The development of diligence, cooperation, good sportsmanship, and enthusiasm, all essential attributes of a good player, will make a better citizen out of each boy.

Mr. Long expressed his appreciation to the teams for their fine cooperation all year and to the faculty and community for being such loyal fans. He then handed out the various medals which were earned during the season, after which each of the captains spoke a few words.

Mr. Croll was toastmaster of the evening.

The banquet was prepared by the ladies of the Scotch Ridge Presbyterian Church.

Faculty Christmas Party

A faculty party was held at the home of Mr. and Mrs. Croll on the evening of December 20. The evening was spent in playing pinochle and chinese checkers.

Mr. Plocher showed his ability as a card player by walking off with first prize. Miss Reitzel had second high score. Mr. and Mrs. Baker were honored with the booby prize.

After an evening of fun, delicious refreshments were served.

The group then gathered around a beautifully decorated Christmas tree for the gift exchange.

Journalism Conference

The Northwestern Ohio High School journalists were the guests of Woodward High School, Toledo, at a meeting held on April 24. The delegates from Webster were Eleanor Schwisow, Marilyn Emmitt, Donald Kuhlman, and Marion Layman. Miss Donnell and Mr. Plocher, who co-sponsor the Skylight and the Web, accompanied the group.

During the course of the morning, various round table discussions dealing with yearbook and school paper publications were attended by our delegates.

At the afternoon session Allen Saunders, co-author of Chief Wahoo, was the guest speaker. Following his fine address a dance was held in the high school gym.

Junior Senior Banquet

The Junior Class entertained the Senior's and the faculty and their wives at a banquet held this year at Kohl Hall on the Bowling Green University Campus on May 20.

A large dining room in the Hall made a lovely setting for the dinner. A patriotic theme was used in the decorations and toasts. This theme was not only apropos with present conditions but worked out very well as the Senior colors were blue and white with the red carnation as their class flower.

Marion Layman was the toastmaster for the evening. Donald Kuhlman, as president of the Senior Class, gave a toast. Mr. Baker was the faculty speaker.

A theater party completed the evening's entertainment.

Class Has Weiner Roast

The Biology class had a weiner roast, May 4, at Road Side Park.

The entertainment consisted of a scavenger hunt, a ball game, and a review of those good old camp stories and songs that are always favorites around a bonfire.

The evening ended after everyone had stuffed himself with delicious food.

Latin Classes Have Picnic

The '41 and '42 Latin classes were the guests of Miss Donnell at a picnic at Pearson Park on May 15. Everyone took in the various amusements at the Park.

SCHOOL CALENDAR

- September 2 Grand Fall Opening!
 New teachers.
- 5 Baseball game with Lake
 Webster wins first game 5-0.
- 12 Webster defeats Walbridge 6-3.

ATHLETICS

WEBSTER BEATS TROY IN DISTRICT FINALS

Takes District Title By Easy Margin

Wood County Quintet First Since 1936 To Try For State Crown

Webster's Scots, as fine a basketball team as has been seen in play here for several seasons, won the district Class B title Saturday night by overwhelming Luckey (of Troy township, a neighborhood rival, 49 to 21, in an all-Wood county tangle in Ross gym.

Along with the championship and wagon load of trophies that were given went a berth in the state cage tournament which opens in Springfield this week. Webster became the first Wood county team to advance to the big play since 1936 when North Baltimore made the trip to Columbus.

Coach Brick Long's crew demonstrated their right to succeed Elmore as the district titlist by their play here, although they failed to win the tournament in their own county.

The Scots chalked up four victories in the Fremont play and all were by decisive margins and Elmore was included in the list of victims. Before romping over Luckey in the finals, the Scots defeated Clyde, 50 to 21; Norwalk St. Paul's, 44 to 28, and Elmore, 43 to 35.

Win Easily

Little need be said about the team's final round victory as the score speaks for itself. Away to an early lead, the winners merely added to their score as the game progressed and there was no doubt as to the final outcome from the time the two teams walked onto the court. The only question was what the final score would be.

As in all past tourney triumphs it was Capt. Don Kuhlman, Merlin Brinker and Chuck Christen who accounted for the points, this time scoring 39 of the 49 racked up. In the order listed they tallied 14, 13 and 12 points, respectively.

The Scots were away to a 13 to 4 lead in the first quarter as Luckey's only field goal was scored by Meyer and they increased their margin to 30 to 8 at half time, the Troy Trojans again scoring but once from the court. The Scots eased the pressure a bit in the third period but still outscored their foe, 11 to 7, and did the same thing in the final canto although Coach Long sent in an entire team of second stringers.

All-Tourney Team . . .

However, to bring recognition to several other players who demonstrated their worth even in defeat, the column this year is picking an eight-man first team, naming three forwards, three guards and two centers. Get out the clubs—we're about ready to spill the news.

For our forwards we have named Capt. Don Kuhlman and Merlin Brinker from Webster and Mort Hanneman from Elmore. For centers, Chuck Christen of Webster, and Junior Egert of Elmore. For guards Jack Mills of Elmore, Jay Beckford of Liberty and Harold Seifert of Webster.

There's the team, what do you want to make of it?

Trophies Presented

The victory gave Webster a seasonal record of 24 victories and one defeat. During the regular season they won 16 games for a perfect record, added four victories against one defeat in Wood county tourney play and then copped all four of their games here.

The tournament was officially closed by the presentation of the trophies by Manager Ray Ballenger. Webster not only received the district trophy, but Coach Long and each of his first 10 players received individual trophies previously presented at the state meet. Members of the Luckey team received fobs and the team a trophy as the runner-ups.

Among Eight Best Cage Clubs

Pictured around Coach Myron "Brick" Long, of Webster Twp. High School, are six of the Webster Scot cagers themselves. These sturdy youngsters failed to bring Webster its first county title, but they defeated Troy at Fremont in the All-Wood County finals there. This gave Webster its first district title and Wood County its first in six years. The Scots also survived the first round of the state tournament at Springfield, which makes them among the eight best teams in the state. This is not the entire story. Given a little luck, Webster might well have shown the rest of the state just where Scotch Ridge is. Pictured around the coach, left to right, are: Gus Wight, Harold Seifert, Joe Meder, Ralph "Charley" Christen, Merlin Brinker and Don Kuhlman.

Scots Defeat Fairport Harbor 40 To 31 In Opener

Only allowing the Fairport Harbor lads to hope twice during the game, Coach Brick Long's five moved one more step nearer the coveted state class B championship Thursday night by defeating the Harborites 40 to 31 in a first round game at Springfield.

The Scots meet Somerset today in the quarter final rounds. Somerset defeated Tippicanoe City 38 to 19. Clearview and Lorain, both unbeaten this season, also meet today. Clearview, coached by Doyt Perry, a Bowling Green U. graduate, and Bremen both have won 24 games.

Fairport took an early lead and ran the score to 7 to 4. Webster went ahead 8 to 7 and were never again threatened except when Fairport Harbor managed to tie the score at 18 all in the third period. Webster was in front 14 to 11 at the long intermission.

Merlin Brinker, the Scots ace scorer, was out for a part of the game. Brinker did not leave Wood County with the rest of the team. Suffering an attack of tonsillitis, he remained at home here yesterday and then made the trip to Springfield with Gus Skibbie, who officiated the games.

With Brinker on the bench, it was Gus Wight who so ably filled the mighty Merlin's shoes.

Coach Long's boys had some trouble with Fairport Harbor's man for man defense, but loosened it up in the last half to score 26 points while holding their opponents to but 20.

Fairport Harbor committed nine personals and missed three of six free throws. Webster committed but five fouls and missed but five of 14 charity tosses.

Webster also outshot their opponents from the floor, making 16 field goals to 14 for Fairport Harbor.

Wood County Quintet Snags Somerset Defense

Running into the best man for man defense they have bumped into this season, the Webster Scots, Wood County's first series contender for the state class B crown, went down to defeat Friday night by a score of 37 to 24 at the hands of Somerset of Perry County.

The defeat left the charges of Coach Brick Long with a record of 21 victories in 26 meetings. The Scots were also defeated by Lake Twp.

Forwards Don Kuhlman and Merlin Brinker both were unable to click but at the same time, it should be said they ran into some great defense men in Walser and Starkey of Somerset. Brinker scored but six and Kuhlman four, both totals being considerably below their game averages.

Guard Harold Seifert and Center Charley Christen of Webster both carried three fouls from early in the game but survived. Christen led the Scot scoring with 14 points, eight of them in the second period.

Webster scored first in the game but didn't connect again in the first period while Somerset swished them for 10 points. Christen's eight second period points brought the score to 18 to 12 at the long intermission. In the second half, Somerset continued to go away while Webster couldn't find their shooting eyes.

Webster's invasion of the final rounds of the state tournament marks the first time a Webster Twp. team has done so and the first time in six years that a Wood County team has gone through the Fremont district meet.

It also should be remembered that Somerset is within 10 miles of Glenford, defending state champions but who are already out of the tournament, and also very near Bremen, the only unbeaten class B team in the state. Somerset has been beaten six times but perhaps as many as four by these two teams.

Basketball

The Webster Scots of '41 and '42 enjoyed the most successful season of any team in the history of the school. A squad of 8 resulting lettermen out of 18 tryouts brought to the school the Northwestern district title at Fremont and a chance to cop the state title at Springfield. Although they failed to win the title at Springfield, the Scots remained as one of the eight best in the state and received some consolation by being beaten by the class B champs, Somerset.

The Scots also got possession of the Elk's trophy by virtue of winning the Eastern League title in the county. This was done by coming through the regular season of 16 games undefeated.

First row: Lloyd Meyer, Raymond Dunipace, John Newman, Donald Michel, James Emmitt.

Scots Win Eastern League Title

LAKE BEATS

DEFEAT LAKE FLYERS TO END PERFECT SEASON

Lake-Webster

It was the great play of Center Luther Obrock that caused the downfall of the previously unbeaten Webster Scots 30 to 23 ending a string of victories at 18 when Lake defeated the charges of Coach Brick Long in a semi-final game Friday night.

Obrock completely outplayed his opponent, Ralph "Charley" Christen. The lanky Flyer controlled the rebound under both boards, giving the Scots only one shot at a time.

The Scots, usually a hot ball club, were cold last night. Slipping badly through three easy tournament games, the Scots were unable to find their eye while at the same time they were only getting their shots in singletons.

As one fan said, it may be that Webster lost its confidence when an easy shot was missed immediately following the opening tipoff. At any rate, be it the pressure of the tournament, the pressure of the Scots' record or something else, the charges of Coach Art Wilson were the superior team Friday night.

After a tie score at the end of the opening period, the Flyers took the lead and were in front 14 to 11 at the end of the half. Adding to their advantage in the third stanza, the Flyers were in front after two minutes of the fourth period, 29 to 18, the greatest lead they held.

It then became obvious that the Scots would at last taste defeat. The lead was enough for the Flyers to protect despite the fighting efforts of Webster.

Webster defeated Lake on Lake's tiny floor 34 to 29 two weeks ago.

Score by Quarters:

Lake	5	9	8	8-30
Webster	5	6	5	6-22

Taking the lead with the beginning of the second quarter and never again trailing, the Webster Scots ended a perfect season Friday night by defeating the Lake Flyers 4 to 29 in an Eastern League tilt at Millbury.

The victory decided the Eastern League championship, giving the title to the Scots of Coach Brick

Long and made the Flyers of Coach Art Wilson the second place club.

The 500 capacity gymnasium of the Lake High School saw 600 jam their way in to witness the game. Several hundred more were turned away. Many others, unable to attend the game, showed interest in the outcome by calling the Sentinel-Tribune for the final score.

The game was very hard fought but cleanly played and saw only 15 fouls called on both teams. Neither team showed any outstanding ability at the foul line. Lake missing nine of 10 shots while the Scot five missed six of 10.

Center Ralph "Charley" Christen of Webster led the scoring with 14 points. Forward Buzz Jackson of Lake was high for his team with 10.

Webster Knocks Out Elmore

Webster Defeats Ottawa County Champs, 43 To 34, In Torrid Tilt; Luckey Doubles Score On Wakeman, 32 To 16; Play For Title Saturday

A pair of Wood county teams, Webster and Luckey, will battle it out for the district Class B tournament championship and a berth in the state tournament at Springfield when they clash at Ross gym Saturday night.

The two clubs, neither of which lasted through their own county tourney, barged into the final round here Thursday night with victories over Elmore and Wakeman, a pair of county champions.

Webster, hotter than their bright red suits, defeated the Ottawa county champions by a 43 to 34 score in something of an upset while Luckey, a next door neighbor, downed Wakeman simply by doubling the score on their opponents, 32 to 16.

Best Team Won

The Webster-Elmore scrap was a game all the way and there is no denying that the best team—on Thursday night at least—won.

Coach Brick Long's crew, victorious in 16 regular season games and six of seven tournament tilts up until last night, surprised Elmore by beating them at their own style of play—the fast-break or fire-wagon type.

The Wood countians started off with a bang and benefitting from height as personified in Chuck Christen, Joe Meder and Hank Seifert, and some eye-opening sharp-shooting by Merlin Brinker, dominated the game all the way.

Controlling the ball at all times, they forged into an early lead and were ahead, 14 to 8, at the end of the first quarter. Although it was not known at the time, that was the tip-off. Never did Elmore so much as get even although they trimmed the lead to four points twice early in the second period. They never got closer.

Brinker Stars

Christen's height under the bankboards, the all-around play of Capt. Don Kuhlman and Brinker, plus some fine guarding by Seifert and Joe Meder, kept Elmore from ever playing its own game. Coach Al Turner's boys didn't have the ball enough to get started.

The first period lead was only a sample. Both clubs scored evenly in the second stanza but in the third Brinker ran wild for 11 points and boosted the score to 32 to 23 as the final period opened. Elmore tried desperately in the closing minutes, but just couldn't cool off a hot team with a lead.

Brinker forged into the lead as far as tournament scoring is concerned with a 20-point performance that gave him 48 for three encounters and otherwise was a standout player.

Mort Hanneman, Elmore ace, was held to eight points by Seifert, who left the game in the fourth on fouls. Brinker and Miltz were also banished, but too late to make much difference.

JUNIOR HIGH TOURNEY

Twenty-two Wood County junior high cage teams will open a campaign at Webster Twp. school Monday in the sixth annual junior high tourney for the county title.

The tournament is normally held in the cage of the defending champion. Webster has held the title for

Webster moved into the semi-finals of the Fremont district tournament Friday night when they defeated Norwalk St. Paul 44 to 28 while the Lake Flyers, Wood County champions, lost to Elmore 45 to 34, in another quarter-final game.

The decisions left Troy, the Wood County runner-up, Webster and Liberty still in the running at Fremont. Webster meets Elmore in the semi-final game at 7:30 P. M. Thursday. Luckey and Liberty are to meet in the bottom bracket quarter final game at 8:45 P. M. today. The winner of that game then meets the winner of the Wakeman-Birmingham game at 8:45 P. M. Thursday.

Webster Tops St. Paul

The Scot charges of Coach Long walked off with the game with Norwalk in the second period when, after leading 12 to 10, Edward Merlin Brinker went wild to score four fielders and a free throw for nine points and Don Kuhlman and Ralph Christen scored one field goal each while Harold Seifert swished one free throw, for a total of 14 points.

Norwalk, on the other hand, failed to score until near the end of the period. The Scots continued to gain in the third period, when Kuhlman and Christen each bucketed three for Webster's 12 points to Norwalk's five. Coach Long inserted his subs into the game in the final period.

Honorable mention: Forwards — John Ryder, Haskins; Cornell Juergens, Troy; Yester Cowell, Olney; Bob Brandenburg, Olney; Dick Riley, Wayne; Bob Smothers, Walbridge; Tim Black, Olney; Centers — Bill Haldy, Walbridge; Ralph "Charley" Christen, Webster; Ron Sheldrick, Tontogany; Guards — Joe Loomis, Troy; Harold Seifert, Webster; Eddie Shanks, Tontogany; Joe Meder, Webster.

The 1942 annual Sentinel-Tribune All-County cage team with plenty of height and speed to burn and all sharpshooters, would be a sure-fire championship five could they have but played under the same banner.

Coaches, tourney officials and several other observers cast ballots for 24 class B players representing 11 of the 21 schools whose teams entered the tournament.

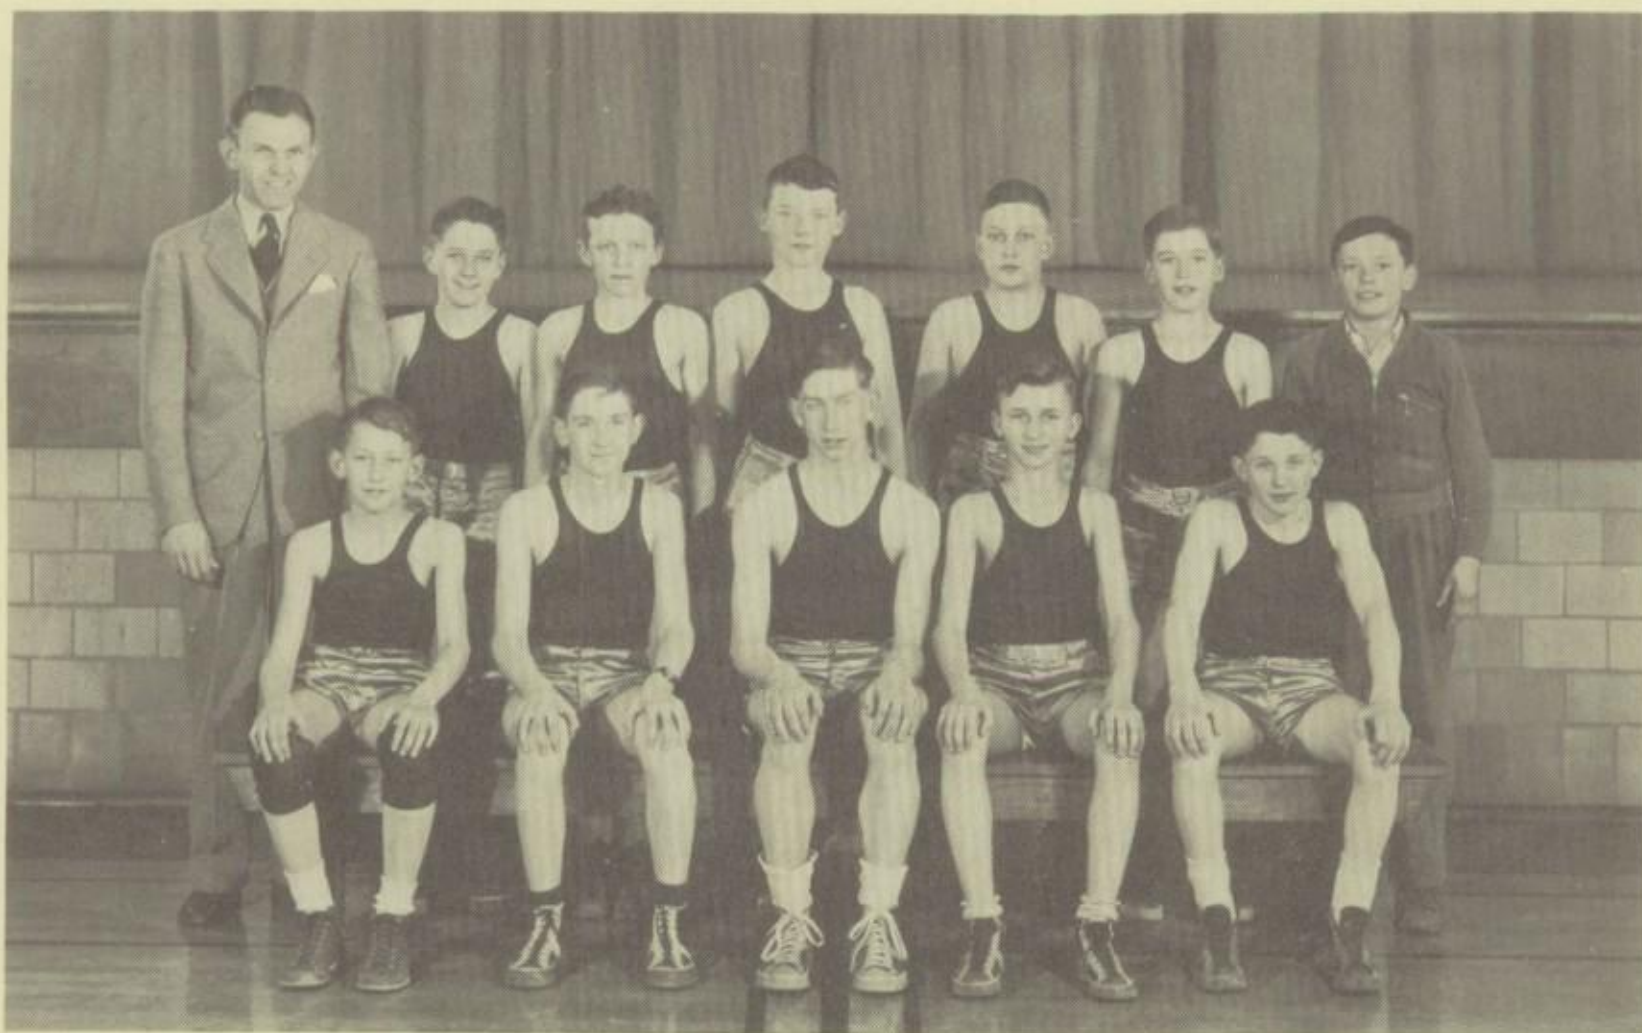

It was Luther Obrock, of the championship Lake five, that led the pack in the balloting. Obrock received 19 votes to be named captain of the first five. Other members of the first team lined up in this manner, Brinker and Kuhlman each with 14, and Meyer and Jackson each with 12.

Because Obrock undoubtedly gained a large share of his votes because of his great performance when the Flyers knocked out the

favored Webster Scots, he was placed at a guard post on the All-County team. In this game, Obrock controlled both boards and brought the ball up the center of the floor as the Flyers smashed the Scot defense. These being the duties of a guard, more or less in this day and age, the guard slot was assigned to Obrock with Meyer taking over the center job.

With the widespread voting, results for the second team were almost even. Adams led the five with 10 votes. Long, Rudolph, Reynolds and Porterfield each received eight.

John Ryder, the All-Western league "one-man-team" for Haskins, received seven votes, one vote short of making the second team. Juergens and Shanks each received six and others trailed on down to two, the number necessary for qualification for honorable mention.

JUNIOR HI BASKETBALL

Second row: Mr. Plocher, Bobbie Philo, Richard Van Vorhis, Walter W. Davidson, Roger Emmitt, Ramon Jimison, Eldon Layman.

First row: George Lembke, Charles Johnston, Elton Shaner, Scsavnicki, Franklin Sheffer.

CHEERLEADERS

Irene Magsig, Montez Jimison, Grace Hebler.

Webster Repeats As Track Champ

WEBSTER WINS DIAMOND TITLE

Scots Defeat Bears 18-10 In Finals Of Tourney

The 1941 baseball season was well ended today following: 1. the end of the World Series, 2. the end of the Chicago city series, 3. the end of the Wood County tournament with Webster Township's defeat of Walbridge, 18 to 10, in a raw, cold wind on Wenig's diamond Friday.

The game marked the third attempt to have the tourney finals played off. Twice before the game was called because of rain, once in the third inning with Webster leading 6 to 3.

After the game, championship and runner-up trophies were presented to the two teams by County Superintendent of Schools Charles C. Harkness.

The Scots, who are charges of Coach "Brick" Long, will now play in the district tournament next spring.

Don Moist's Golden Bears held up well before the slugging Scots until the last of the third, even leading for one and one-half innings. Walbridge was "still in the game" until the sixth when Hurler Bill Haldy went wild and five runs crossed the plate giving the Scots a 15 to 5 lead.

Baker Stars

Play featured some nice center-fielding by Cliff Baker for Walbridge and the plate work of Merlin Brinker for the Scots who knocked out three, including a home run and a triple, in five trips to the rubber. Leonard Wright was the only Scot to go hitless, but he was on the base four times in five trips, three on walks, a good leadoff man. He scored each time.

Bill Haldy, however, was the outstanding batter of the day with a .750 average in four trips, including a home run and a double. Ken Robinson, Golden Bear second sacker, got two singles and a double in five trips up.

Webster got their 18 runs on 11 hits. Walbridge got their 10 runs on 12 hits.

COACH LONG

SCOTS SCORE 54½ POINTS, LAKE 2nd WITH 38½

The Webster Scots had indicated today they intended to retain their Wood County track and field title after cleaning up the Bowling Green Invitational meet in the City Park last night.

The charges of Coach Brick Long scored 54½ points while Coach Art Wilson's Lake Flyers flew into second place with 38½ points.

The other nine teams finished in this order: Liberty 26-1/3, Tontogany 25, Wayne 21-1/3, North Baltimore 18, Risingsun 18, Pemberville 12½, Bloomdale 10, Troy 0, North Troy 0.

The Scots placed in every event except the 100-yard dash and 220-yard dash.

Indications pointed to at least four county records falling when these same teams meet Friday and Saturday on the University's cinders for the fourth annual Wood County meet.

LaVerdo Fox of Tontogany and Jim Mahaffey of Liberty have only to equal their high jumps of last night to set a new county record. They leaped 5 ft., 8½ in. over to bar. The Wood County record, set in 1938 by Salisbury of Wayne and Krift of Pemberville, is 5 ft. 6 in.

John Turner of Risingsun last night broad jumped 21 ft., 5½ in. Such a leap would break his own county record of 20 ft., 5 in. set in 1940. Turner also equaled the 100-yard dash mark of 10.4 sec. in the event last night.

If LaVerdo Fox can toss the shot as far Saturday as he did last night another county mark will go by the boards. Last night he tossed the 12-lbs. the distance of 42 ft., 3 in. The county record, set by Michaelis of Haskins in 1937, is 42 ft. even.

Liberty's Junior Yarger's pole vault of last night when he vaulted 10 ft. into the sawdust is better by ¼ inch than the mark of Musser, Luckey, set in 1940 in the county

Summary:

High jump won by Fox (Tont), Mahaffey (Lib) (tie), Oberdick (Web) 2, Horner (Bl) 3, E. Mapes (Way), Obrock (Lake), Yarger (Lib) (tie) 4, height: 5 ft. 8½ in.

220-yard dash won by Turner (Ris), Porterfield (Lake) 2, Thaxton (Way) 3, Williams (Tont) 4, Martin (Pemb) 5, time :23.8.

120-yard high hurdles won by Oberdick (Web), Kuhlman (Web) 2, Weith (NB) 3, Myers (Lake) 4, Haas (Lib) 5, time :18.

100-yard dash won by Turner (Ris), Porterfield (Lake) 2, Thaxton (Way) 3, Horner (Bl) 4, Swebe (NB) 5, time :10.4.

Pole vault won by Yarger (Lib), Gundy (Tont) 2, Martin (Pemb) 3, Summers (Lib), Hitchens (Lake), Lynch (Web) (tie) 4, height 10 ft.

Broad jump won by Turner (Ris), Horner (Bl) 2, Thaxton (Way) 3, Kuhlman (Web) 4, B. Mapes (Way) 5, dist. 21 ft. 5½ in.

Mile run won by Isett (Pemb), Pieper (Lake) 2, Gallo (Web) 3, Hasel (Web) 4, Sheldrick (Tont) 5, time 4:59.1.

880-yard relay won by Lake (Hitchens, Rudolph, Myers, Porterfield), Webster (Shaffer, Meder, Kuhlman, Lynch) 2, North Baltimore (Swebe, Mays, Weith, Wirt) 3, Liberty (Haas, Adams, Newlove, Mason) 4, Pemberville (Springer, Alexander, Weabman, Martin), Wayne (R. Mapes, Thaxton, Allen, Weichman) 4, time 1:43.4.

Shot put won by Fox (Tont), McCann (Web) 2, R. Mahaffey (Lib), Davis (NB), Bowlius (Pemb) (tie) 3, dist. 42 ft. 3 in.

440-yard dash won by Layman (Web), Walters (Tont) 2, Lapsch (Lake) 3, Rudolph (Lake) 4, Gundy (Tont) 5, time :55.9.

Discus throw won by Fox (Tont), E. Mapes (Way), McCann (Web) (tie) 2, Davis (NB) 3, P. Adams (Lib) 4, dist. 123 ft.

Half mile run won by Layman (Web), Oatley (Lake) 2, Newlove (Lib) 3, Puse (Lake) 4, Slaughterbeck (NB) 5, time 2:12.6.

120-yard low hurdles won by Thaxton (Way), Kuhlman (Web) 2, Bechtel (NB) 3, Sanders (Web) 4, Haas (Lib) 5, time :14.2.

Mile relay won by Lake, Webster 2, North Baltimore 3, Bloomdale 4, Wayne 5, time 4:03.3.

The Webster Scots last night came off on top in a three way track and field meet with Lake Township and North Troy. The score was 60 to 58 to 8. Lake, running on their own track, took second place in the meet.

Three Records Fall In Fifth Annual Meet

As three new marks were chalked up, the Webster Scots of Coach Brick Long walked off with the first place trophy in the fifth annual Wood County track and field meet held Saturday on the University cinders.

The Scots amassed 49½ points as they placed in every event except the 100 and 220-yard dashes. The Liberty Lions of Coach Mat Dotson finished in second place and took that trophy with 41 points. The Lake Flyers took third as Coach Art Wilson's charges scored 34 points. Webster won the 1940 meet and therefore has now taken the title twice.

Other teams scored as follows: Tontogany, 22½; Risingsun, 21½; North Baltimore 19; Wayne 15; Pemberville 9½; Bloomdale 9; North Troy 0. Through a misunderstanding, the two entrants from Portage Twp. failed to show up for the preliminaries Friday and thus did not qualify.

New records were established in the shot put, pole vault and 120-yard high hurdles. LaVerdo Fox of Tontogany set up the shot mark with a heave of 43 ft. 8½ in. breaking the old mark of 43 ft. 8½ in. which he set in the preliminaries the day before.

Oberdick of Webster established a new record in the high hurdle event when he clicked off the distance in :17.7 seconds taking off one-tenth second from the old mark set by Harris of North Baltimore in 1940.

Junior Yarger of Webster set the pole vault mark with a vault of 10 ft. ¼ in. breaking the 9 ft. 11½ record set by Musser of Troy in 1940.

Turner of Risingsun was the high individual scorer of the meet with first in the broad jump, 220 and 100-yard dash events for 18 points.

The results:
Shot put won by Fox (Tontogany), Davis (North Baltimore) 2, Gaines (Wayne), 3, Brinker (Webster) 4, R. Mahaffey (Liberty) 5. Distance 43 ft. 8½ in. (New record. Old record 42 ft. by Michaelis, Haskins, 1937).

120 yard high hurdles won by Oberdick (Webster), Stimml (Liberty) 2, Kuhlman (Webster) 3, Weith (North Baltimore) 4, Mapes

(Wayne) 5. Time :17.7s (New record. Old record of 17.8s by Harris (North Baltimore) in 1940).

100 yard dash won by Turner (Risingsun), Porterfield (Lake) 2, Horner (Bloomdale) 3, Swebe (No. Baltimore) 4, Thaxton (Wayne) 5, Time 10.8s.

Mile run won by Isett (Pemberville), Pieper (Lake) 2, Baker (Troy) 3, Hasel (Webster) 4, Gallo (Webster) 5. Time 4m 55s.

Discus throw won by Fox (Tontogany), Ed Mapes (Wayne) 2, Obrock (Lake) 3, Paul Adams (Liberty) 4, Jimison (Webster) 5. Dist. 125 ft. 7 in.

Half mile relay won by Lake (Hitchens, Rudolph, Meyers, Porterfield) Liberty 2, North Baltimore 3, Webster 4, Wayne 5. Time 1m 42.1s.

440-yard dash won by Layman (Webster), Bob Mahaffey (Liberty) 2, Jim Mahaffey (Liberty) 3, Lapsch (Lake) 4, Slaughterbeck (North Baltimore) 5. Time 55.7s.

Broad jump won by Turner (Risingsun), Fox, (Tontogany) 2, Thaxton (Wayne) 3, Horner (Bloomdale) 4, Kuhlman (Webster) 4. Dist. 19 ft. 10 in.

220 yard low hurdles won by Kuhlman (Webster), Bechtel (North Baltimore) 2, Sanders (Webster) 3, Meyers (Lake) 4, Benner (North Baltimore) 5. Time :28.3 s.

High jump won by Jim Mahaffey (Liberty), Fox (Tontogany) 2, Oberdick (Webster) 3, Horner (Bloomdale) Obrock (Lake) tie. 4. Height 5 ft. 4 in.

880-yard run won by Layman (Webster), Oatley (Lake) 2, Newlove (Liberty) 3, Isett (Pemberville) 4, Brinker (Webster) 5. Time 2m 10.1s.

Pole vault won by Yarger (Liberty), Lynch (Webster), Zimmerman (Risingsun) tie 2, Martin (Pemberville), Gundy (Tontogany) tie 4. Height 10 ft. ¼ in. (New record. Old record 9 ft. 11½ in. set by Musser of Troy in 1940).

220-yard dash won by Turner (Risingsun), Porterfield (Lake) 2, Horner (Bloomdale) 3, Bob Mahaffey (Liberty) 4, Thaxton (Wayne) 5. Time 23.6s.

Mile relay won by Liberty (Cass, Jim Mahaffey, Paul Adams, Bob Mahaffey), Lake, Webster, North Baltimore, Tontogany. Time 3m 53.9s Starter—Budd Cox.

COUNTY TRACK MEET IS PREVIEWED BY TEAMS

Previewing the county track meet to be run a week from today, the Webster Twp. thincads and those of Liberty ran out their hearts Friday to finish in a tie, 59 to 59.

Webster cleaned up the county track event last year and is a favorite to repeat with the Liberty Lions the chief threat standing in their way. Friday's meet easily shows why.

The battle of the afternoon took place between Layman of Webster and J. Mahaffey of Liberty. In the 440-yard dash Layman came in a foot in front of J. Mahaffey. Shaffer of Webster and J. Mahaffey

battled it to the finish in the 100-yard dash and this time J. Mahaffey took first.

Don Kuhlman, of Webster, with firsts in the broad jump and both hurdles events, paced the afternoon's scoring with 15 points. J. Mahaffey, of Mat Dotson's crew, ran second in the point making with 14½. Layman, who is coached by Brick Long made two first for 10 points. J. Mahaffey scored in every event he entered taking first in the high jump and 100-yard dash, second in the 440 and ran on the winning mile relay team.

BASEBALL

Second row: Mr. Long, Merril Sheffer, James Emmitt, Raymond Dunipace, Harold Seifert, Leonard Wight, John Newman.

First row: Joe Meder, Russell Gottschalk, Donald Kuhlman, Merlin Brinker, Ralph Christen.

TRACK SQUAD

Second row: Lawrence Lynch, Joe Meder, Robert Sander, Norman Jimison, Robert Oberdick, Mr. Long.

First row: Donald Kuhlman, Merlin Brinker, Rudolph Gallo, Kenneth Layman, Merril Sheffer.

Baseball

The baseball team this year came through the season with flying colors by capturing Webster's first county baseball championship. After several attempts to play the final tournament game, the Scots eventually beat Walbridge to clinch the title.

The season summary lined up in this manner:

We		They	
Webster	5	Lake	0
"	6	Walbridge	3
"	7	Pemberville	13
"	7	Olney	6
"	12	Liberty	4
"	3	Tontogany	1
"	16	Portage	0
"	18	Walbridge	10
	<u>74</u>		<u>37</u>

This summary shows a record of 7 wins out of 8 games with a 2-1 margin in runs scored.

Those with high batting averages were: Brinker .593; Gottschalk .433; Kuhlman .423; and Reamsnyder .366. The team average was .379.

The Spring season opened with the Scots making their first bid for a district title. At the time of the printing of this book, the Scots have reached the finals of the district tournament at Tiffin, by first drawing a bye and then defeating Alger 3-2 in the semi-finals.

The summary of the Spring games is as follows:

Date		Scores			
April	12	Webster	8	Haskins	2
"	17	"	8	Weston	2
"	21	"	11	Pemberville	6
"	24	"	2	Luckey	4
May	1	"	2	Woodville	7
"	5	"	10	Luckey	0

Track 1941

The opening track meet of the '41 season found the Webster track men tangling with the Tontogany speedsters. After a close fight all the way the Scots emerged victorious by a 55-48 score.

A tri-meet between Lake, North Troy, and Webster was next on the schedule and after another nip and tuck battle all the way, the Webster boys eeked through a 60-58-8 triumph.

The Scots traveled to Bowling Green High School's track to meet the fierce Liberty Lions for the next encounter. Both teams ran their hearts out only to have the meet end a tie 59-59.

On Tuesday, May 6, the Webster Scots' track team was invited to an invitational meet at Bowling Green City Park along with every other school of the county. At this initial meet of its kind the Scot thinclads captured first place by outscoring Lake, the second best, $54\frac{1}{2}$ points to $38\frac{1}{3}$.

On Saturday, May 9, the Scotch Ridgers again romped to victory by taking the Annual Wood County Track and Field meet at Bowling Green State University Stadium. They annexed $49\frac{1}{2}$ points which were enough to beat Liberty with 41 and Lake's 34.

One old record fell by the wayside when Oberdick glided over the 120 yard high hurdles in the time of 17.7 seconds clipping $1/10$ of a second off the old record. Layman piled up 12 points with firsts in both the 440 yard and $\frac{1}{2}$ mile run. Next to Layman was Kuhlman with $10\frac{3}{4}$ points and Oberdick with 9.

After taking the Wood County Meet, the Scots entered the District Meet at B. G. S. U. Webster took fourth place in the District by running up 16 points. Layman got 12 of the 16 with firsts in the 440 and $\frac{1}{2}$ mile. Kuhlman added the other 4 with a second in the 220 yard low hurdles.

In the State Meet at Columbus, Kenneth Layman, Webster's great sprinter, took second in the 880 yard run after a very close finish.

This spring, because of transportation difficulties and the Baseball District Tournament, it was decided not to have a track team. In coming years it is hoped this situation may be remedied so that the school may participate in this worth-while sport.

Varsity Basketball Statistics

	We	They
Aver. points per game	48.6	26

Fouls Made	152	120
Personal Fouls	255	251
Foul Shooting Aver.	52.6%	42
Percent of games won	92%	
Total Points	1224	673

Second Team Basketball

The boys on the second team turned on the steam at the beginning of the season and kept it on with the result that they established an enviable record of 16 wins and no losses. Woodville's seconds gave them a scare but at no other time were they seriously threatened. Not only did they provide some exciting games for the spectators, but they also handed out to the first team some stiff competition. This proved a great help to the varsity. Several of the fellows on the second team this year will, no doubt, step into the first team suits next year.

A great deal of the high school athletic teams' success this year should be credited to the Coach, Mr. Long. It was his fine, unfailing leadership that brought the teams through thick and thin and on to victory. We hope that he and his athletic teams will have as much or more success in the years to come.

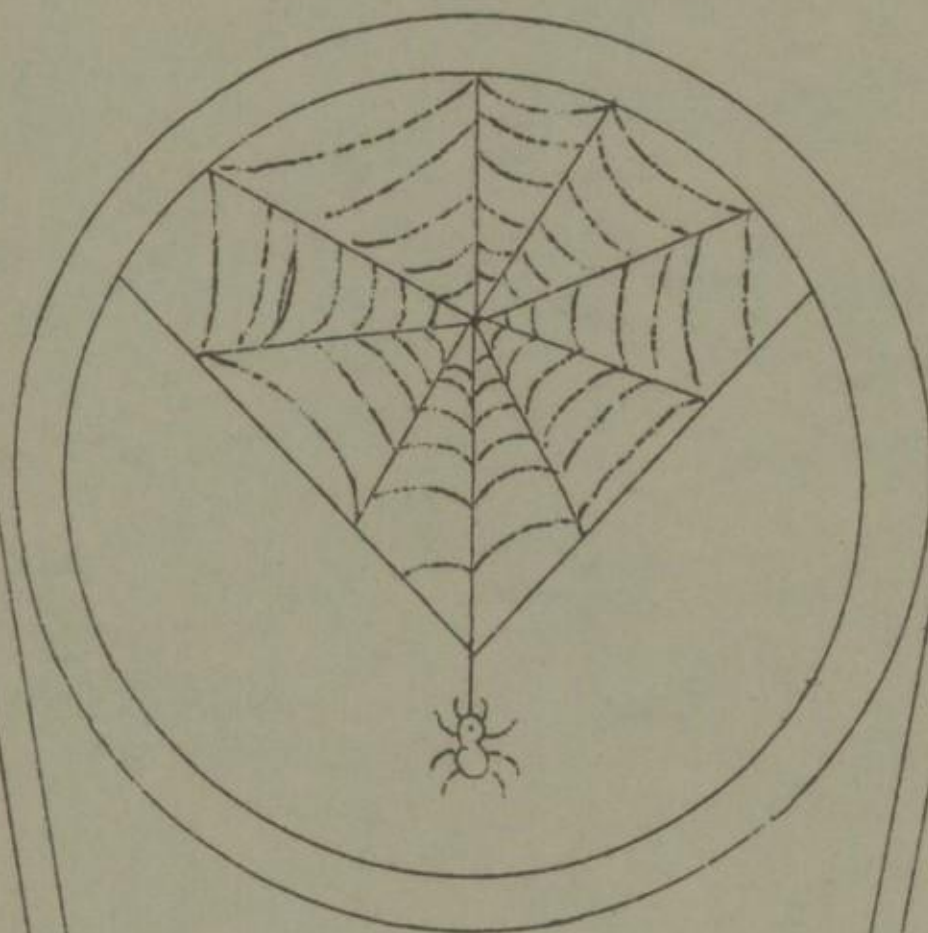

Junior Hi Basketball Team

The Toy Scotties also enjoyed a successful season. This year the young stars were coached by Mr. Plocher and although they didn't win the championship they survived until the semi-finals of the Junior Hi Tournament.

The regular season ended with 4 wins and 4 losses, but in the tournament games the Scotties came through to advance to within one game of winning the title. This defeat in the semi-finals gave them an all season record of 6 wins and 5 losses.

A lot of credit should be given to the coach for working with these boys and developing them into players capable of going on into high school and joining the bigger boys' team.

The Alumni Association held their sixteenth annual banquet and elected the following officers:

President- - - - - John Metzger
Vice-President - - - - - Norman Jimison
Sec. & Treas.- - - - - -Lois Meyers

On January 2 the former Webster basketball stars played the varsity and the reserves. The varsity won with a score of 76-29. The former stars, however, proved to be the stronger in the game with the reserves. The Alumni team won with a score of 25-21.

The Alumni did not give their annual play this year because so many of the Alumni boys entered the armed service.

NIEMAN'S FUNERAL HOME

We have served the public for over 50 years. We have added a new funeral home for your convenience. It is not littered with signs so as to make it home like. You may inspect this home any time you wish if you have not already done so.

NIEMAN'S QUALITY FURNITURE

We have some outstanding buys on carpet which we have bought under January 1 prices. We will pass the saving on to the customers. Stop and look at it. It won't cost you anything.

Our Slogan: "You can do better at Nieman's."
